**ANNUAL REPORT
2019-2020**

Hello and good morning my dear students..! What a different kind of gathering we have organised for you today but we have not closed shop because of our ever vibrant students. It's a never to be forgotten graduation. Maybe its going to be the one and only virtual graduation recorded in the annals of the Bishop Cotton Women's Christian College. The present scenario has swept us off our feet like a wave into an ocean of doubt, questions and fears where we have been strapped by certain norms, shifting the regular course of life by new unthought of changes opening our mind's eyes to fight against the onslaught of a virus hitting the health concerns of the entire world. At this juncture, academicians have applied their expertise in opposing the current of Covid 19 in continuing with education through virtual learning.

I take this opportunity to welcome our dear Bishop Rt. Rev. Dr. Prasanakumar Samuel to this valedictory function of the batch of 2020 being the Chairman of the Board of Management. Our Bishop has stood with us in thick and thin and it is only appropriate that he is here this morning to send you out with a blessing. We welcome you, Bishop.

“Every season has an end – for a harvest to begin. Embrace the process!” – Prophetess Dina Rolle. You can't start the next chapter if you keep re-reading the last one- **Embrace the Journey.**

“She endures in times of hardship. She takes pain and fuels it to her creative advantage. She knows in order to achieve her greatest expression, she must embrace her demons. That is the only true way to grow as a human being. She would rather struggle than be stagnant. – **Kristin Michelle Elizabeth.**

Stopping can never be an option. Regrets are wasted moments and life has to be viewed as too precious to forsake. If you find yourself at an impasse its okay to take a breather, but its never okay to quit. God has awesome plans for your life. Get excited.

The journey may take you through experiences you have never been but embrace it, you are a unique piece of puzzle and am sure God will fit you into the right place. When you blaze the trail, others will be inspired and follow your example. You will be a trend setter.

Embrace. The dictionary describes this seven letter word as, “an act of accepting or supporting something willingly or enthusiastically”. Throughout every professional career, there are numerous stages that are positively embraced with open arms and a megawatt smile: the job offer, promotion, raise, title change etc.

You are never alone., God is always there. I've seen it all too often. He's gone before me and cut the path with His own steps. He has done the same for you. You may wonder if He is still there. There are times where you may have to rest and cry, but you will find even in those dark and cold moments you are never alone.

Keep your head up and run the race. You may feel defeated, but take one step at a time towards your journey. Life happens in seasons. Sometimes you may feel like you're crawling towards your goal and sometimes you may feel as if you are in a sprint. No matter the season you are in, grip tightly to it and choose to continue forward. You have to walk through the valley and climb up the

mountain before you can stand on its pinnacle. Choose to think positive. Talk positive. Your glass can never stay half empty. Choose to be full and pass it on.

We, as the Bishop Cotton Women’s Christian College family have never lost an opportunity to embrace the impossible and fathom the world of endless expectations.

As – Michael Altshuler puts it –

Time is our conscience keeper and we at Bishop Cotton have been wide eyed towards the learning process and acclaimed to be a college of higher learning. We are forever trying to handle the changing scenarios with expertise and go beyond the ordinary.

Our students have done us proud by securing accolades in all round performance in both curricular and co-curricular activities. They have engaged in various outreach programmes which has in turn earned points in their profile as well.

To our graduates this morning, I congratulate you on a job done well. For having come this far, which only tells you that the journey does not stop here. On the other hand, College has been the platform which hands you over to a new phase of life. Inhale hope in every breath you take. It breathes life into every person.

The success and laurels that you take away from this institution today have a significant background story. We need to acknowledge the dedicated and tireless work rendered by our teaching fraternity who from time to time have nurtured you, moulded you and polished you into the academic state of mind. You may leave the portals of this institution but these amazing memories that lie embedded in you will many a time later in life surface to give that reminder and push to move on.

Not to forget another important group whom we need to salute this morning – are your dear parents who have breathed their life into giving you the best, very often trying to rise above limitations to their daughters nothing but the best. We extend our appreciation to you for having unselfishly given your co-operation to your children and the institution.

Student Achievements:

On the eve of Centenary celebration of Botany department, Bangalore University conducted various competition on the topics of Botany on 19th December, 2019. Our students participated in various competition like Rangoli (using floral parts), Quiz and Essay writing. Dayal Akansha of I B.Sc (CBBT) won third place in Rangoli competition.

The department of Botany, St. Joseph’s Autonomous College, Bangalore conducted Inter – Collegiate Competition on 22nd February, 2020. Many of our students actively participated in the competition such as Treasure hunt, Quiz, Model Making and Tasting the food. I B.Sc (CBBT) students Sweta, Nuha and Simran won third place in Treasure Hunt and Dayal Akansha, Srivani won second place in Wealth out of Waste.

Industrial Visit:

The students’ and faculty visited the “**Lalbagh Flower**” Show on 13th August 2019. There were number of flowers, which were displayed at its grandeur. Some of themes included Indian classical instrument and some freedom fighters of Karnataka.

The department of Botany organized a visit to “**Hema Horticulture Research Institute**” managed by physically challenged people on 26th September 2019 at Kothanur, Bangalore. The students’ and faculty witnessed the horticulture method maintained by the physically challenged people. It was a great learning and exposure.

The department of Botany & Biotechnology organized an industrial visit to “**Bayer Crop Science**” Monsanto, Doddaballapur on 27th February 2020. The students were educated on the Hybrid variety vegetables like tomato, cabbage, cauliflowers, ladies finger, cucumber, corn etc. There was an exposure towards seeds and traits, crop protection and technological developments to take agriculture to the next level.

Fests Conducted:

During the annual Inter – collegiate festival (DISHA) held on 20th September 2019, the department of Chemistry, Botany and Biotechnology conducted an event named ADZAP. The students actively participated in the competition and performed different advertisements effectively.

Medicinal Garden:

The Department of Botany maintains a medicinal garden with some of the commonly grown medicinal plants in Bangalore. The YWCA Bangalore in association with Botany department planted some of the medicinal saplings on 3rd March 2020 as in initiative to create awareness and educate the institutions about importance of having medicinal garden.

BIOTECHNOLOGY

Faculty Development Programme:

The Departments of Chemistry, Botany, Biotechnology and Zoology in association with *Centre for Intellectual Property Rights Research and Advocacy (CIPRA) & Department for Promotion of Industry and Internal Trade (DPIIT) Ministry of Commerce and Industry*, Government of India, Chair on IPR, National Law School of India University, Bengaluru organized a one day workshop, a Faculty Development Programme on “IPR FOR SPURRING INNOVATION AND CREATIVITY” on 8th February 2020. 56 faculty members actively participated in the workshop. The speakers covered the topics like CopyRights, Patenting and process.

Field Visits:

Visit to Orchid show : The department of biotechnology staff along with IIBSC students attended Orchid show, Lalbagh Botanical garden on 19th October 2019. Orchids like *Gombidium, Miltonia, Dendrobium and Cattleya* were on display. Students learnt the shape, color, patterns and the size of the bloom as the easiest way to identify flowers. Most of the plants are propagated through plant tissue culture method. They also purchased different orchids from the stalls.

Visit to NCBS-Open Day: The students of II BSc visited NCBS, GKVK Post, and Jakkur on October 23rd 2019.

1. Research on Drosophila study was carried on immune system because it has 70% of homology with that of human body. The salivary glands of fruit fly were used to study genetic makeup of human. This fly was chosen because of its life span, genetic makeup and physiology. Of late they are used in clinical trials.
2. The process of Skin healing during injury was explained in detail.
3. Effect of pesticides and fertilizers on sensory organs of human being, the scientist was developing cream and gels to reduce the effects of the chemicals. The scientist explained about the adoption of designing coat made up of nanoparticle which protected the body of farmer from harmful effects of chemical when they would come in contact with the pesticide. These nanoparticles have the capacity to break the sulphide bonds that is present in the pesticide.
4. Cell signalling memory synapses, structure of neurons nerves in the body was studied using model with circuits connected with different sounds produced.

Visit to Freedom Park: The program was held on 7th September 2019 at freedom park , focussed on creating awareness program about Plastic Free –Few of the government employees of BBMP sang some patriotic songs, constant announcements were made on waste segregation, few topics

about environment sustainability was addressed . Various stall which comprises handmade spoons, jute files, bags, files and folders.

VISIT TO JNCR: The National Science Day celebrated at JNCR on 28th February 2020. The agenda is to ignite young undergraduate students to take up a carrier in the field of science. Students also participated in quiz competition. Some of the topics covered during the sessions are:

1. Wonder bug *Deinococcus radiodurans* by Dr. Satyajit Mayor, NCBS
2. Cancer Stem Cells by Dr.Sudha Warier, MIRM
3. Seminar of Cell membrane by Dr. Shree. K .Apte, DAE CEBS, Mumbai
4. Ovarian Cancer cells by Dr.Ramray Bhat, Bangalore

Visit to Monsanto, Doddaballapur: The department of Biotechnology aims to upgrade scientific knowledge among students in relation to the curriculum.

Industrial Visit was arranged for CBBt/CZBt students of I, II and III B.Sc on February 27th 2019 to Monsanto Company located at **Doddaballapur**. Students were exposed to the field where different varieties of genetically modified plants: Ridge gourd, Varieties of cucumber, tomatoes, Green initiatives. They develop best quality seeds by seed chipping technology, they are known for producing different varieties of *corn*, They have patents for *Bt Cotton* and other herbicide tolerant crop plant and also involved in improving seed quality by genetic –recombinant DNA technology. Hybrid plants cultivation, three of chillies levels.

Certificate Courses Conducted:

I - The Memorandum of Understanding (MoU) was executed on 6th day of September 2018 by GLOBAL CONSUMER PRODUCTS PRIVATE LIMITED (GCPPL), JC Road, Bangalore. The certificate course was started for 8-10 students per session. The students were deputed to undergo the sensory evaluation of food products and differentiated flavours and aroma of chocolates, wafers and juices. This course is on-going project.

II- The Memorandum of Understanding (MoU) was signed on the 6th day of January 2019 by SHREEDHAR BHAT'S LABROTATORY, Biotechnology-Products, Services and Training Centre Private Ltd., Banashankari II Stage, Bangalore. The course was started on January 9th-14th 2019 for a duration of 48hrs.

Syllabus-

1. Plant tissue culture -Preparation of Media and autoclaving
2. Cleaning and sterilization procedures
3. Isolation of embryos from the seeds and initiation
4. Sub-culturing
5. Synthetic Seed Preparation
6. *Agrobacterium* mediated plant transformation

- a. Leaf disc preparation
- b. Co-cultivation
- c. Selection media transfer

The students were exposed to hands-on experience, they gained practical knowledge about techniques implanted and micro propagation, methods of acclimatization of plant *Stavia*, which is a natural sweetener.

Awareness Programme:

An Awareness program was conducted on 24th October 2019. Environment Sustainability and Menstruation addressed by eminent speakers like Mrs. Veena Prasad, Mr. Vasuki and Ms. Nandini gave an insight into the issue of plastic pollution and stressed on menstruation. They aimed at MOTTO- BYOB-Bring Your Own Bottles. Stalls selling eco friendly products were put up by the NGOs in the campus on the day.

Mentoring Activities:

The students are mentored, met regularly once in a week to guide them in different aspects of life. The weaker students are identified and remedial classes are conducted on Thursdays or Fridays usually during lunch hour and break time. The students visited Tea factory and museum situated in Doddabetta Peak. Amidst the blue hills of Nilgiris, it is one of the popular tea factories in Tamilnadu and also visited Madras Regimental Centre Wellington camp . The morphological toys of army soldiers have set at the entrance of this place near Coonoor .

The Department of Mathematics in collaboration with Department of Computer Science and Department of Physics organized an Educational visit to “Karnataka State Natural Disaster Monitoring Centre (KSNDMC), Yelahanka for I BCA , I B. Sc.(PCM) and II B. Sc.(PCM) students on 15th February 2020. Dr. Shiva kumara Naiklal (Scientific Officer), briefly explained about Weather forecast, Natural Disasters and it’s Monitoring methodologies aspects. He also educated all students about internship programs being offered by KSNDMC and the career opportunities. Students had a great experience with hand on experiments.

Event Conducted at Fest:

An Inter-Collegiate event “Mathematical Relay” was conducted during “ Disha - 2019“ on 20th September 2019. Around 10 Colleges were taken part in which Bishop Cotton Academy won I place, ASC Degree College won II place and the III place was bagged by the students of Bishop Cotton Women’s Christian College.

Bulletin Board:

Bulletin Board on “Visible Learning “ was displayed by the students of II B. Sc. on 19th July 2019. The Glimpses of Women achiever’s in various Mathematical field, Mathematical concepts used in construction of various monuments-Taj Mahal, Philips, Pavilion and pyramid of Giza, fun facts were displayed.

Participation of students in Seminar:

The third year B. Sc (PMC) students Ms. Misba Haram, Ms. Aliyah Rehman, Ms. Anjum Zehra, Ms. Misbah Sultana, Ms. Kavitha participated in the “Indian Women in Mathematics (IWM) Visitors program “ organized by the Department of Mathematics, Christ (Deemed to be University), Bangalore in Collaboration with National Board of Higher Mathematics (NAHI) on 4th March 2020.

Participation of students in Inter Collegiate Event:

The first B. Sc students Ms. Nisha, Ms. Bhumika, Ms. Soundarya, Ms. Jansi, and the third B. Sc students Ms. Tejaswini, Ms. Srividhya participated in “ Crystal Math” event in the Inter-Collegiate fest “Arty-fact 2020” on 3rd March 2020 at St. Anne’s College, Bengaluru.

Ms. Evelin Silviya S, Asst. Prof.

Seminars Attended:

Attended “ One Day National Workshop on e- content, MOOCs and ARPIT” Jointly organized by Guru Angad Dev Teaching Learning Centre of MHRD, SGTB Khalsa college, University of Delhi and Bangalore University held at Bangalore University on 25th September, 2019

Attended IARSc Programme on Science, Technology, Research and Applications (IPSTRA) – Training and skill Development Programme, “Know the Atmosphere you Live in” on 20-21 December, 2019 at IISC, Bengaluru

Attended One day workshop on “Mathematics and it’s applications “, held on 11th March 2020, Organized by Department of Mathematics, NMKRV College for women, Bangalore

Faculty Development Programmes Attended:

Faculty Development Program - A one day workshop on “**Importance of Yoga in our Daily Life**” on 1st February 2020 in Bishop Cotton Women’s Christian College, Bengaluru.

Faculty Development Program - A one day workshop on “**IPR for Spurring Innovation and Creativity**” was organized by the department of Life Science on 8th February 2020.

Ms. Shashikala A, Asst. Prof.

Conferences Attended:

National Conference on Recent Trends in Mathematics and its Applications(**NCRTMA 2019**) ON 20th and 21st December 2019 Organized by the department of Mathematics, GITAM University, Bengaluru.

International Conference on ‘ **National Mathematics Day**’ organized by the P.G Department of Mathematics and Research Centre in Applied Mathematics, M.E.S College of Arts, Commerce and Science on 14th December 2019.

Workshop Attended:

Workshop on ‘**Mathematics and its Applications**’ organized by Department of Mathematics, NMKRV College for Women on 11th March 2020.

LIBRARY AND INFORMATION SCIENCE

The **Library** is a collection of sources of information and similar resources, selected by experts and made accessible to a user community for reference or borrowing, often in a quiet environment conducive to study. It provides physical or digital access to material.

Our Library's collection includes books, periodicals, newspapers, documents, CDs, cassettes, video tapes, DVDs, E Books, audiobooks, databases and other formats. It also includes rare books, book bank, question bank, online lecture notes and online English notes.

In addition to providing materials, we also provide the services of reprography, printing, OPAC with WI-FI with connectivity for users to use their **own laptop in the library.** We also offer common areas to facilitate group study and collaboration.

We are trying to extending services beyond the physical walls of a building, by providing material accessible by electronic means, and by providing the assistance of librarians in navigating and analyzing very large amounts of information with a variety of digital resources. We are increasingly becoming community hubs where programs are delivered and people engage in lifelong learning.

COUNSELLING

Counselling is a process that enables to sort out issues and reach decisions affecting their life. Often counselling is sought out a time of change or crisis, it need not be so however as counselling can also help us at any time of our life.

Counselling involves talking with a person in a way that helps a person solve a problem or helps to create conditions that will cause person to solve a problem or helps to create conditions that will cause a person to understand and /or improve his /her behaviour, character, values or life circumstances. In the end of the counselling process, the client himself /herself as a insight to the problem and he/she becomes empowered to take his or her decision.

Conflicts, academic problems, career, personal and socially related problems than in the past. counselling programmes involves individual sessions with students, where truth serves as a mean to reach the goals of counselling. Follow up sessions are carried out as on a regular basis and parents are involved in the process if the need demands. The counsellor was also actively involved in meeting the students and parents who have shortage of attendance. They were counselled and advised to be regular to college and to maintain 75% attendance in all subjects. In future, the counsellor hopes to instil skills that will enable our students to be efficient and successful.

Counselling is defined as the service of helping people to adjust or deal with personal problems, by enabling them to discover for themselves the solution to the Problems when receiving attention from a counsellor.

The Counsellor's View point

As a counsellor, I had to deal with not counselling but also address issues and also to manage the help desk to help our students and parents. Throughout the year, I met students staff and parents addressing many issues like peer pressure, parental pressure, academic pressure and personal problems, relationship problems, depression, career guidance, shortage of attendance, misconduct, enquiries, ventilation, interpersonal problems, relationship problems and other issues. I have maintained confidentiality and dealt with each individual on a non-judgemental basis. Certain sensitive matters had to be taken up with the Principal and handled delicately. I have maintained confidential reports after every sessions and also maintained a record of work on a daily basis. I have also got feedback from students, parents and staff on the sessions that were conducted. Certain case follow up sessions were taken up by me. Students who had approached me seeking help have also brought their classmates and friends for various issues. This shows a definite positive impact of my counselling services.

Respondents were asked for general comments or remarks of the service provided.

My primary tasks to support the academic session of the college by providing a range of interventions which enhance a student's ability to be consistently engaged with achieving their academic potential

Other activities

The counsellor had given a talk on the topic "Adolescent counselling" to the second year students of the Home science department on the 25th September 2019.

Mrs. Yallina Thomas,
Counsellor.

COMMITTEE REPORTS

ASSEMBLY

The college reopened on 8th July 2019 for the academic year 2019- 2020. A special assembly was held on 11th July 2019 to brief the students on various clubs and committees offered in our college.

CHAPEL

II Chronicles 7:15 “Now my eyes shall be open and my ears attent to all the prayer that is made in this place”.

Chapel service is integrated in the college timetable during the value education hour every alternative Thursdays for all the Christian students and is open for all interested non-Christian students as well.

The academic year of 2019-2020 began with the Holy Communion service for the staff and students on 27/06/2019. Rev. Sathyanandam Paul, Presbyterian-in-Charge, St. Peter's Telugu Church and Vice Chairman, Board of Management was the Celebrant and Rev. Beena Priyadharshini was the Preacher for the Holy Communion Service.

The students of each departments took turns in conducting the chapel service as guided by their respective chapel prefects. During the chapel service, the students were exposed to learn and to grow through various activities such as praise & worship, Bible quiz, games etc., They also came up with their own creative themes.

The Christian students from our college participated in various events in the inter-collegiate Gospel Fest in Kristu Jayanthi College on 28/01/2020. The Chapel committee was also a part in organizing fund raising plan for Inter-collegiate Gospel Fest " Exalted 19" by putting up Tuck Shops on 07/08/2019.

We began the new year 2020 with the Holy Communion service for the staff and students on 31/01/2020. Rev. Sathyanandam Paul was the celebrant and Rev. Hemalatha John was the Preacher for the Holy Communion Service.

PLACEMENT CELL

The main objective of the Placement Cell is to place students who are interested in working after graduation, in suitable jobs in various companies.

An awareness was created on the various industries & opportunities available in the market. Students were also assisted in internships. Students were taught resume writing and creating profiles on the various job portals like LinkedIn, Naukri, Indeed, Internshala, Youth4Work and FreshersWorld and others.

Around 25 companies were reached out to and were invited to interact with our graduating students for campus recruitment drives.

The students had the opportunity to meet recruiting teams from top of the line companies like KPMG, EY, Dell, Amazon, CapGemini, Bayer, Northern Trust Bank, Standard Chartered Bank, L&T, Wipro and other local companies like Karle, TTK, facility management companies like Savills and Novel, and startups like Tedroox and Snapwiz.

Dell has issued offer letters to 5 of our students at INR 4.2 lacs per annum, this being the highest salary that has been offered to any of our students.

Bayer has issued an offer letter to our M.Com student at INR 3.5 lacs per annum.

Northern Trust Bank has issued an offer letter to one of our students at INR 3.1 lacs per annum.

Amazon has issued an offer letter to one of our students at INR 2.5 lacs per annum.

CapGemini has to conduct the final interview for 15 of our students who have cleared the initial rounds with iPrimed.

EY has to conduct the final interview for 2 of our students who have cleared the initial rounds.

A few drives have been put on hold due to Covid19 outbreak and they will be resumed after the lockdown period is over or after the situation settles down.

Before each drive the students were briefed about the company, nature of business, leadership teams, about their vision and mission statements, some salient features of the company. Tips on interview skills, email writing, grooming and links to respective online tests for practice were shared.

The Placement Cell also conducted several sessions to cover a range of topics.

Founder & CEO of Clearskies - Gaurav Nath, Senior Manager Training & Client Servicing of Clearskies - Sanmit Karandikar, Senior Captain from Air Asia - Shriya Shrivastava, First Officer

from Air Asia - Rahul Nambiar and Senior Cabin Crew from Air Asia – Jasmeen Rehman conducted a session for BA and BSc students on a career in aviation.

the B.Com students had a session on career guidance by Abhishek Shetty from IT4U, an alliance partner of Aptech.

A session on higher studies conducted by Shahambare T, Alumni from Ashoka University, Sonapat, Gurugram.

Anjali Nair & Nikhil Menon from Oscar Murphy spoke to all Psychology students on a career in psychometric testing for individuals and corporates.

Another session that was organized on new age careers, Python and grooming could not be conducted due to lack of time and space.

Internships were available for students at Stock Market Institute in October after college hours in various departments. This was an unpaid internship and we had 6 students from B.Com who availed of this opportunity.

20 girls interned for a month in November 2019 for Million Dreams for a paid internship in event management and marketing.

Aditya Birla Finance had offered internships for 3-6 months but that did not suit our college timings.

Traveller Pass also offered an on campus internship to market a lifestyle app but that did not have any takers. Just a note on internships – our girls are available after college hours or during weekends. This availability does not suit the companies as they require at least a whole month commitment from 9 am till 6 pm for it to be viable for them.

For the next academic year, I humbly propose that the Placement Cell be given a few hours in the beginning of the 5th semester to cover topics such as resume writing, interview skills, grooming, uploading profiles on job portals and other related topics for better preparation to excel in campus interviews.

Mrs. Sharmila Nambiar,
Placement Officer.

PARENT TEACHER MEETING

It is a great privilege to thank our college principal Prof. Esther Prasanakumar for the great support for the PTA meeting.

The idea of organizing a parent and teacher meeting in college provides an opportunity for parents to know their children's performance and follow up in academics, cultural activities, attendance percentage and capability in all fields during their student life.

The main purpose is threefold. Firstly, to bring awareness of the students' performance and behavior to parents, secondly, to encourage parents to follow-up their child's ability and improvement and finally to bring the institution's benefits to parents and student.

On 31st October 2020, the principal addressed the gathering in the Seminar Hall. The programme started with an opening prayer, Bible Reading and the gathering were presented with a video of the college. There was a session where parents were asked to clarify questions relating to educational means. Our parents gave a very inspirational feedback of the college performances. Around 65% of parents attended the Meeting.

All parents and students were asked to meet in their respective class teachers. The students, parents and teachers shared and developed trust on each other in development of the students performances in academics and activities. The campus was filled with colorful parents and students admiring our evergreen campus.

ECO WATCH CLUB: (GO GREEN AND CLEAN)

This year the club aimed at creating a green campus with "Go Green campus drive"-Parisara project proposal. As a part of this drive various awareness programmes were conducted by the BBMP authorities under the leadership of Mr. Anand (a BBMP representative). This awareness drive included awareness campaigns to the support staff, canteen authorities and the members of the Eco-watch club. Cleanliness drives were conducted before the cultural fest DISHA which includes an awareness campaign for the organisers, the student council, to the vendors of various stalls and the volunteers. They emphasised on avoiding plastics and encourage eco-friendly products and steel cutlery in all the stalls. Rainwater harvesting miniature model was also displayed at the fest. BYOB (Bring your own bottle) posters were also displayed.

The staff and the students of Eco-watch club visited the Lal-bagh Orchid show on 19th October 2019. Varieties of orchids like Cymbidium, Miltonia, Dendrobium and Cattleya were on display. Students learned to identify orchids based on their shape, colour, patterns and the size of the bloom. We also purchased many orchid varieties from the stalls.

Plastic free campaign – Swachhata hi seva 2019 (Ministry of Human Resource Development) was observed in the campus on the 24th of October 2019. In this regard Eco-watch club, NSS and NCC organised a guest lecture. Eminent speakers like Mrs. Veena Prasad, Mr. Vasuki and Ms. Nandini gave an insight into the issue of plastic pollution and stressed on segregation of wastes. They also showed alternative materials that can be used as a substitute for plastic bags, cups, plastic plates and utensils. They urged on carrying one's own steel cup, spoon and steel water bottle at the eateries and weddings in order to avoid use of plastics that are main contributors of landfills. Stalls selling eco friendly products were put up by the NGOs in the campus on the day.

The club also decorated green mementos for various programmes of the college including the college Fest. The club also conducted various inter departmental competitions on 20-02-2020. Competitions like bottle painting, glass painting, greeting card making, pot painting and Popsicle frame making were conducted. Students of various streams participated in the competitions and won prizes.

The YWCA of the Bangalore city donated medicinal plants to the Eco-watch club of BCWCC on the women's day. The saplings were planted by the eco watch club members in the medicinal garden of our college in the presence of our Principal and YWCA representatives. YWCA representative Ms. Sneha spoke about the 2020 Women's day theme – "I am generation equality: Realizing women's rights".

GOSPEL FEST – EXALTED 2019

Our College conducted its annual Inter Collegiate Gospel Fest **EXALTED 2019** theme “**FACE THE BOOK**” Sanctify them by the truth, your word is truth. (John- 17:17) ” on **17th August** 2019 in our college premises.

We thank the Lord Almighty for His wisdom, grace, mercy, power, strength and blessings.

It is also a great privilege to thank our college principals **Prof. Esther Prasanakumar** and **Mrs. Mercy Priyalatha**, Principal in-charge PUC for their great support throughout the fest.

The staff coordinators of the Fest were **Dr. Grace Premila Victor**, **Mrs. Harshini Esther G**, **Dr. Sharmila Wesley**, **Mrs. Sowmya N Prasad**, **Ms. Susan**, **Mrs. Adeline Rebecca H** for their continuous support.

The idea of organizing this fest is to provide an opportunity for young minds to hear the Gospel through Praise and Worship, Concerts, Activities and Competition. The main purpose is threefold – I- to exalt the name of Jesus, II- to witness and share the Word and III to allow students from different institutions to converge for a time of celebration and fellowship. The word of God contains the magical formula of unraveling the mysteries of our lives in its pages. As we face the book we open the door of our hearts to have relationship with Christ. “**Face the book**” aspires, corrects, transforms, guides and helps us to face challenges which is the absolute truth. The Gospel according to St. John explains to us how the Word was with God and the Word was God himself. In this Word we have everlasting life and the power to dispel darkness.

The fest started with the inauguration followed by the opening prayer by **Rev. Satyanandam Paul**, presbyter-in-charge of St. Peter’s Telugu Church, Vice Chairman, Board of Management , then our college choir lead us with praise and worship. The college Principals and the dignitaries lit the lamp, the choir presented a special number. The principal, Prof. Esther Prasanakumar addressed the gathering and did the honors to the Chief Guest, **Dr. Benny Prasad** and his wife **Mrs. Zanbeni Prasad Odyuo**, a well -known Christian Celebrity who has travelled widely.

They enlightened us through their inspirational speech, testimony, words of spiritual wisdom & with a special number to bring in action for Gods glory and will.

The Principal declared **EXALTED 2019** open. Principals, dignitaries and coordinators read the verses from the big BIBLE.

The student representatives Ms. Kedsiya Blessy, Ms. Hephshibah A Lazar and Ms. Deborah gave a special speech on the theme FACE THE BOOK to bring an awareness to face the word of God and not to get addicted to the worldly pleasure /social media. Marking a sentence “**LESS OF FACEBOOK AND MORE OF FACING THE BOOK**”

After the inaugural dance, we performed an energetic **flash mob**, in which nearly 50 girls who took part representing the different cultures of people coming together in worshipping and proclaiming the Lord’s holy name in facing the book “BIBLE.

Around 28 colleges participated in th event. **12** events were conducted including Western Singing, Cos Play, Photography, Street Play, Pick & Speak, Bible Quiz, Bible Minute, Treasure Hunt, Collage, Vernacular Singing, Pot Pourrie & Choreography. The **decoration team** did a wonderful job by presenting beautiful creative decorations in the college campus.

The vote of thanks was given by **Ms. Deborah**, joint chapel representative PUC followed by the closing prayer by our degree principal **Prof. Esther Prasanakumar**.

There were around 1,500 students as audience for the Fest. The students shined with the special uniformed blue-shirts on the day. Mementos for judges and chief guests were provided, score boards and sign boards were done wonderfully, registration team did a great job and welcomed the participants with hospitality.

The overall first runner up was the team St. Joseph's College and the winner of the fest EXALTED 2018 went to the team from Kristu Jayanthi college. Every individual and team winners received trophies and certificates.

Convenor.

COLLEGE CHOIR

‘Make a joyful noise unto the Lord’ - Psalm 100

The College Choir is an integral part of every College program. Auditions for the College Choir are held at the beginning of the academic year / semester and students are selected from both PUC and Degree. This year there was a total of 27 students along with two instrumentalists- Ms. Sharon Thomas of II BA on the keyboard and Ms. Keturah Reuben of II BA on the Guitar. The Choir also leads worship during chapel and communion services with hymns and special numbers.

This year the College Choir participated in the 28th Glorious Harmony Festival held on the 24th of August 2019 and was well appreciated.

During Christmas the Choir played a key role in the Christmas musical entitled ‘So this is Christmas’. With the pandemic, the choir adapted themselves into a virtual choir and rendered a special number for graduation this year.

IN CONCLUSION

I would like to leave you with this verse that you can take with you as a promise and hope for the future. "I am with you and will watch over you wherever you go, and I will bring you back to this land. I will not leave you until I have done what I have promised you" – Genesis 28:15

May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His Hand.
