## ANNUAL REPORT 2020-2021

Welcome and good morning my dear students. It's been nineteen months since you attended regular classes on the college campus, due to the unprecedented rise of Covid19. It is lovely once again to feel the presence of you students who are the life breath on this campus. I also welcome all our dear teaching fraternity and the non-teaching staff who form a network that cannot be broken. This is a special graduation valedictory ceremony arranged in honour of the graduating batch of 2021. These commencement exercises or this graduation is just the beginning and not the end.

Napoleon Bonaparte (1769-1821), also known as Napoleon I, was **a French military leader and emperor** who conquered much of Europe in the early 19th century. Born on the island of Corsica, Napoleon rapidly rose through the ranks of the military during the French Revolution (1789-1799)

One day when his army was marching towards the great Alps Mountains, an old lady came to him and told him that his army could not go beyond the Alps mountains and many people had already tried in the past but no one returned. Napoleon gifted his diamond necklace to the old lady and told her to communicate his story to everyone when Napoleon would successfully return after climbing the Alps mountains. At this, the old lady passed her blessings to Napoleon. But after listening to the warnings of the old lady, his army came under pressure and refused further movement. Napoleon asked his army whether anyone of them had seen the Alps mountain? Napoleon's army said that they did not know anything about the Alps mountains. Napoleon further said that they would decide to move ahead or not, after seeing the Alps mountains. So he and his army started their trek and during that trek, they spotted one mountain and his army asked Napoleon, "is it the Alps mountain ?" and Napoleon answered that Alps mountain must be very big and not like that small mountain. They together climbed that mountain and then they reached the plain ground. Napoleon's army again asked, "when will we get to that scariest Alps mountain ?" Napoleon answered "we are already here"

**"Life opens at the close" The beauty of life lies in paradoxes**

If we gaze backwards at the past, we can see that there is a long and winding pathway that has led to this graduation. Members of the graduating class have had to accomplish a great deal to arrive

at this moment. Behind each and every one of our graduates is a story of family and friends: of parents who nourished and sacrificed, who hovered and let go.

The talents and abilities we possess are not of our own preference. We are not successful because we determined it. We are nothing more than moulded clay and the shape we take on is determined by the Master's hand. We gather today to celebrate a moment of consequence in the lives of candidates as they finish their academic requirements, they will be, quite simply, the finest yet another new graduates ready to meet the challenges of this brave new world.

All the music, the certificates and ceremony that surround us this day, are meant to mark this single, **decisive moment of high transition** in the lives of these graduates. As with all such moments of transition, it is an occasion both to take stock of the past and embark on a new journey to shine bright and assess the future that lies before us.

The eagle has no fear of adversity

We need to be like the eagle and have a fearless spirit of a conqueror

Being a Conqueror you need to exercise faith.

Stamp out your doubts, and take steps to continually overpower your disbelief, while at the same time, set yourself up for future success.

Faith can turn dreams into realisms, promises into possessions, and it always begins with a promise from God's word.

The more faith we exercise, the stronger our foundation As our faith increases, our potential increases so does our ability to conquer.

Conquerors can face a mountain because they are already sure of the victory

Conquerors follow God's plan

God's ways are not our ways; neither are His thoughts our thoughts. We need to follow God's plans

To be a conqueror you need to be pruning yourself daily, upkeep of your inner self as much as your outer self is so important, if we had'nt maintained our garden well it would have become an overgrowth like a forest.

It is said of a man who awoke one morning to find a puddle of water in the middle of his king-size waterbed. In order to fix the puncture, he rolled the heavy mattress outdoors and filled it with more water so he could locate the leak more easily. The enormous bag of water was impossible to

control and began rolling on the hilly terrain. He tried to hold it back, but it headed downhill and landed in a clump of bushes that poked it full of holes. Disgusted, this man threw out the waterbed frame and moved a standard bed into his room. The next morning, he awoke to find a puddle of water in the middle of the new bed. The upstairs bathroom had a leaky drain. Life is that way sometimes isn't it?

We need to first identify the problem; it doesn't make sense to sweep the problem under the carpet we need to admit the problem. Identify the problem and fix it.

Then You will become like a butterfly bursting from its' cocoon, You will emerge from your efforts, a better, stronger, more accomplished version of the person you formerly were.

In Proverbs30:24-28, King Solomon brings to our attention four small things –The ants are of little strength yet they store up food for winter, the Rock Badger though a small mountain mouse makes its home in the crags of the mountains, the locusts without a king advance together in ranks and the lizard though small finds its ways in the kings palaces.

Conquerors understand the importance of safeguarding.

Conquerors know that winning a war is not enough. They must safeguard what has been conquered.

Preserving is the other side of the conquering coin, and it is where many lose out.

If you do not defend what you have conquered in any area of life—relationships, job, education—you will crash. Conquering by itself can be unhelpful and thoughtless if not balanced.

It is more difficult to preserve than to conquer. Here are two ways to do it:

Preservation requires investment.

A conqueror is always a lover of peace

Affirm the positive and abandon the negative Concentrate on all the good that God has given you, all the opportunities. People with a positive attitude, those who are optimistic, they see a prospect opening in every problem or challenges, however, people with a negative attitude, those who are pessimistic, always see a problem in every opportunity. In this Pandemic season, what do you see? Do you see yourself under the attack of the virus or, do you see the Pandemic as a blessing in disguise? going through the pandemic season you need to be a victor not a victim

Do you see yourself as a solution to the world? It's your perspective and attitude in the crisis which determines your next level in life! It's your attitude which determines your altitude in life.

Here are some final thoughts to consider. Life is a challenge, and obtaining goals and achieving success is hard. In short, those who embrace the mind-set of a conqueror and make up their minds to [never give in](#), will be become unstoppable.

This story of the great Napoleon Bonaparte and his mind-set teaches us a lesson to become solution-oriented. We become great after successfully handling difficult situations, so next time when you face great difficulty then think about the opportunity and, not about problems.

Once you begin this process of thinking deeply, believing strongly, striving fearlessly, while continuing to become more of who you are, you will in effect become a modern day conqueror.

### **DEPARTMENT OF HINDI**

Department of Hindi, in association with Internal Quality Assurance Cell, organised a one-day **National webinar** on “*NEW EDUCATION POLICY 2020*” on 17<sup>th</sup> August, 2020.

After 34 years, we are going to witness several reforms in education in India which aims to make all the Universities and Colleges multi-disciplinary by 2040. The main aim of the webinar was to make the teaching fraternity understand the policy and its importance in our multi linguistic country.

528 faculty members and students from all over the country registered for the webinar. **Dr Senthil Kumaran** was the key speaker for the day. The Principal, Prof. Esther Prasanakumar welcomed the gathering .

In his talk , Dr.Senthil Kumaran highlighted the importance of New Education Policy and also emphasised the responsibility of education department and the role of the teaching fraternity towards strengthening the education system in India. He said that in these 73 years of Independence, India has seen an overall development. He further said that in 1948, the first Education Policy was implemented under the able leadership of the President of Independent India, Dr. S. Radhakrishnan and in 1964, MP Siddeshwar Prasad brought forward the loop holes in education policy based on which, need for a new education policy was realised and almost after 34 years, a New Education Policy 2020 is going to be implemented.

On 27<sup>th</sup> August, 2020, the department organised a panel discussion on New Education Policy 2020 and Regional Languages. Panelists of the day were **Shri Jeevendra Jha** – Editor , Rajasthan Patrika and **Dr Senthil Kumaran** , Chief Confluencer – Learners Confluence.

Shri Jeevendra Jha highlighted the importance of Hindi and all other regional languages for the holistic development of our Country. More than 200 faculty members from all over India participated in this Panel Discussion and many of their queries were clarified by the Panel Experts.

‘HINDI DIWAS’ was celebrated on 14<sup>th</sup> September, 2020. Due to pandemic, all the events were conducted online on Zoom Cloud meeting: <https://us02web.zoom.us/j/4908053605>

Four events - Quiz, Pick ‘n’ Speak, Debate and Solo singing were organised from 5<sup>th</sup> to 14<sup>th</sup> September. Around 60 students participated in all these events.

Question paper setting for V Semester on 27<sup>th</sup> November 2020 – Jyothi Nivas College , Bengaluru.

Attending Syllabus blow up for all semester for BCU from past 25 days. Completed the syllabus blow up. Now we are discussing question paper pattern and MCQs .

### **DEPARTMENT OF CHEMISTRY**

#### **Webinars Organized:**

A National Level Webinar was organized on 13<sup>th</sup> August 2020 using online platform – Microsoft Teams. Prof. Uday Maitra, Department of Organic Chemistry, Indian Institute of Science (IISc), Bengaluru, delivered a talk on “**Learning Chemistry Principles through Simple Experiments**”. Around 15 faculty and 196 participants actively took part in the webinar.

A National Level Webinar was organized in collaboration with the Departments of Physics and Mathematics on 30<sup>th</sup> September 2020. Dr. P. S. Basavaraju, Rtd, Professor, BIT college, Bengaluru, delivered a talk on “**Planck’s Constant and ideas across different areas of Science**”. Around 07 faculty and 130 students actively participated in the webinar.

A webinar by Dr. Ujjal K Gautam, Associate Professor, Chemical Sciences, Indian Institute of Science Education and Research (IISER), Mohali, Punjab, was organized for the inauguration of the Bishop Cotton Chemical Society on 3<sup>rd</sup> October 2020. He delivered a talk on “**Emerging Aspects of Nanomaterials and Chemical Reactions: Promises for a Better Future**”. Around 05 faculty and 155 students participated in the program.

#### **Intercollegiate events:**

An Inter – collegiate level Chemistry competition in photography and sketching on the topics **“Interfacing Chemistry”** and **“Day-to-day life”** was organized for all UG students on 5<sup>th</sup> August 2020. Around 50 students participated in the event from different colleges.

#### National Level e-Quiz Competition:

An Inter – collegiate National Level e-Quiz Competition was organized on 21<sup>st</sup> and 22<sup>nd</sup> September 2020 using Google Forms. Around 84 students participated from various colleges at the national level.

#### Interclass competitions:

A virtual Inter – class competition **“Fun with Chemistry”** was organized to motivate students to learn and to improve on understanding the chemistry concepts was conducted on 17<sup>th</sup> and 18<sup>th</sup> December 2020. Events like Spot the spectra, Dissolve the knot – crossword puzzle, Place the misplaced elements and Pick and speak were conducted. Around 80 students actively participated in the event. Students were highly benefitted during the COVID lockdown by attending brainstorming events.

#### Mentoring activities:

Seminars, problem-solving and project works using Information and Communication Technology were given to advanced learners for academic enrichment and to improve communication and presentation skills. Special coaching classes were organized and revision tests were conducted for slow learners.

### **Dr. Jacqueline Therese Gabriel, Professor and Head of the Department:**

#### Webinars organized:

A webinar on **“Career Opportunities in Science”** by Ms. Puja Rauniyar, Research Scholar, University of Naples Federico II, Italy (alumnus of BCWCC) on 15<sup>th</sup> June 2020.

A national level webinar “on **“Learning Chemistry Principles through Simple Experiments”** by Prof. Uday Maitra, Department of Organic Chemistry, Indian Institute of Science (IISc), Bengaluru, on 13<sup>th</sup> August 2020.

A webinar on **“Emerging Aspects of Nanomaterials and Chemical Reactions: Promises for a Better Future”** by Dr. Ujjal K Gautam, Associate Professor, Chemical Sciences, Indian Institute of Science Education and Research (IISER), Mohali, Punjab on 3<sup>rd</sup> October 2020.

#### Webinars attended:

A two day webinar on **“Higher Education in the 21<sup>st</sup> Century: Vision and Action in the Current Scenario”** held on 5<sup>th</sup> & 6<sup>th</sup> June 2020 organized by the Department of Chemistry, Mount Carmel College, Bengaluru.

A two day international webinar on **“Advanced Functional Materials for Biomedical & Energy”** conducted on 24<sup>th</sup> & 25<sup>th</sup> June 2020, organized by the Department of Chemistry, Loyola College (Autonomous), Chennai, Tamilnadu, India.

An international Webinar on **“History and Biology of the Corona viruses and Reflections on a Post-COVID World”** organized by the Department of Chemistry, St. Joseph’s College (Autonomous), Bengaluru, held on 11<sup>th</sup> July 2020.

A one day international webinar on **“Heterogeneous Catalysis: Rudiments & Industrial Relevance”** organized by the Department of Chemistry, University College of Science, Osmania University, Hyderabad, Telangana, India on 13<sup>th</sup> July 2020.

A webinar on **“Challenges in building Advanced Li- ion batteries”** organized by the Department of Chemistry, A. E. S National Degree College, Gauribidanur held on 20<sup>th</sup> July 2020.

A three day **“International Webinar on Transversal Trends”** hosted by Department of Science and Humanities, Nehru Institute of Engineering and Technology, Ciombatore, Tamilnadu, held from 22<sup>nd</sup> July to 24<sup>th</sup> July 2020.

A one day international webinar on **“ Multifunctional Applications of Nanometal oxides”** organized by the Department of Basic Science and Humanities, East West Institute of Technology, Bengaluru, on 29<sup>th</sup> July 2020.

A one day national webinar on **“Metal Oxide Nanomaterials for Nanodevice Applications”** organized by the Department of Physics, Sri Kuvempu First Grade college and PG centre, Kengel-Channapatna, Ramnagara, Karnataka on 31<sup>st</sup> July 2020.

An International Webinar on **“Chemical Ecology”** organized by the Department of Chemistry, St Aloysius College (Autonomous), Mangaluru on 4<sup>th</sup> August 2020.

A national level technical webinar on **“Low Code Cloud Automation using Zoho Creator”** a training session delivered by ITK Education Services Pvt. Ltd in collaboration with the Department of Computer Science, Bishop Cotton Women’s Christian College, Bengaluru on 5<sup>th</sup> August 2020.

Participated in a **“National Level - Quiz Competition on Identification of Agriculture and its cultural operation”** in online mode organized by Team of Success - An Organization to Motivate, Virudhunagar, Tamil Nadu from 6<sup>th</sup> August to 7<sup>th</sup> August 2020.

A one day international webinar on “**Advances in Chemical and Material Sciences**” organized by the Department of Chemistry and Association of Chemistry Teachers (ACT) Mumbai, Annamalai University, Annamalai Nagar, Tamilnadu held on 20<sup>th</sup> August 2020.

A webinar on “**Know your Bangalore Environment**” organized by the Eco - Watch Club of Bishop Cotton Women’s Christian College on 24<sup>th</sup> September 2020.

A National level webinar on “**Crystal Field Theory to Ligand Field Theory to Molecular Orbital Theory**” organized by the Department of Chemistry, St. Aloysius College (Autonomous), Mangaluru, held on 30<sup>th</sup> September 2020.

Positions held:

1. Joint Secretary of Chemistry Teachers Forum, Bangalore University, Bengaluru.
2. Life member of Indian Association of Solid State Chemists and Allied Scientists.
3. Member, Board of Examiners, Bengaluru City University, Bengaluru.
4. Paper Setter – Bengaluru City University, Bengaluru.

**Ms. Sarala Sonia, Asst. Prof.**

Webinars organized:

1.Organized a webinar on “**Career Opportunities in Science**” at Bishop Cotton Women’s Christian College, Bengaluru on Monday, the 15<sup>th</sup> June 2020.

2.A one day Gardening Workshop – “**Let’s Grow Together**” was organized by the Bishop Cotton Women’s Christian College Student Welfare Committee in association with the Department of Botany on Thursday, the 19<sup>th</sup> November 2020.

Webinars attended:

1.A Multidisciplinary webinar on “**Adapting to Deadly Covid -19**” organized by the Departments of Home Science, Biotechnology, Physical Education, Library Science and Counseling Psychology at Bishop Cotton Women’s Christian College, Bengaluru on 4<sup>th</sup> June 2020.

2.A webinar on “**Impact, Challenges and Opportunities in Chemistry Post Covid -19**” organized by the Department of Chemistry, Acharya Institute of Graduate Studies, Bengaluru on 6<sup>th</sup> June 2020.

3.A webinar on “**Mathematical Modelling of Covid – 19**” by the Department of Mathematics, Bishop Cotton Women’s Christian College, Bengaluru on 12<sup>th</sup> June 2020.

4.A Faculty Development Programme on “**Online Learning Assessment Resources**” organized by the Department of Computer Science, Bishop Cotton Women’s Christian College, Bengaluru on 15<sup>th</sup> June 2020.

5.Participated in the International Webinar on “**Frontier Research in Science**” organized by the Department of Chemistry and Biochemistry, Jyoti Nivas College (Autonomous), Bengaluru on 30<sup>th</sup> June 2020.

6.A National Webinar on “**Fiery Drag of Biotechnology - A Philosophical approach**” organised by the Department of Botany, BCWCC, Bengaluru on 1<sup>st</sup> July, 2020.

7.A one day webinar on “**Entrepreneurship Prospects in Apiculture**”organized by Department of Genetics, Padmashree Institute of Management and Sciences, Bengaluru on 4<sup>th</sup> July 2020.

8.A one day National Level Webinar on “**Liquid Crystals : Life, Science and Technology**” Organized by Department of Chemistry, Ayya Nadar Janaki Ammal College (Autonomous), Sivakasi on 25<sup>th</sup> July, 2020.

9.A “**National Level - Quiz Competition on Identification of Agriculture and its cultural operation**” in online mode organized by Team of Success - An Organization to Motivate, Virudhunagar, Tamil Nadu from 6<sup>th</sup> August to 7<sup>th</sup> August 2020.

10.A one day webinar on “**Introduction to Electron Microscopy with Live Imaging Demonstration.**” by Dr Maude Cuchiara, Associate Director, Research Triangle Nanotechnology Network, NC State University, Dr Holly Leddy and Dr Talmage Tyler, Engineers, Shared Materials Instrumentation Facility, Duke University organized by the Department of Chemistry, St Aloysius College (Autonomous), Mangaluru on 10<sup>th</sup> August 2020.

11.A symposium on “**Mental health: Survivng and Thriving?**” organized by the Department of Psychology, Bishop Cotton Women’s Christian College, Bengaluru, Saturday, the 10<sup>th</sup> October 2020.

**Mrs. Hannah Elizabeth Karminder, Asst. Prof.**

#### Webinars attended:

1.A National webinar on “**Impact, Challenges and Opportunities in Chemistry Post Covid-19**” organized by the Department of Chemistry, Acharya Institute of Graduate Studies, Bengaluru on 6<sup>th</sup> June 2020.

2.Organized a webinar on “**Career Opportunities in Science**” at Bishop Cotton Women’s Christian College, Bengaluru on 15<sup>th</sup> June 2020.

3.An International webinar on “**E- Learning: Covid-19 Pandemic: Impact and Strategies for Education Sector in Indian Society**” organized by the Department of Sociology, Bishop Cotton Women’s Christian College, Bengaluru on 15<sup>th</sup> June 2020.

4.A National webinar on “**Gender, Environment and Entrepreneurship in the context of Covid-19**” organized by Department of Economics, Jyoti Nivas college (Autonomous), Bengaluru on 19<sup>th</sup> June 2020.

5.A National level webinar on “**Upward Mobility Career Paths**” organized by the Departments of Biotechnology and Botany held on 22<sup>nd</sup> June 2020.

6.A webinar on “**Psychosocial Impact of Covid-19 on Education and its Stakeholders**” organized by the Home Science Association of India Karnataka State Branch, on 26<sup>th</sup> June

7.An International Webinar on “**Frontier Research in Science**” organized by the Department of Chemistry and Biochemistry, Jyoti Nivas College (Autonomous), Bengaluru on 30<sup>th</sup> June 2020.

### **DEPARTMENT OF BOTANY**

The Department of Botany organised a National Webinar on the topic “**Fiery Drag of Biotechnology- A Philosophical Approach**” on the 1<sup>st</sup> of July 2020. The resource person for the webinar was Dr. Abiya Chelliah, Assistant Professor in Botany, St. Johns college, Palayamkottai, TN. Around 918 students and 60 faculty members participated.

An interdisciplinary webinar on the topic of “**Career opportunities in Science**” was organised on 15<sup>th</sup> June 2020. The resource person was Ms. Puja Rauniyar, Research scholar, University of Naples Federico II(Italy). She briefed about how to qualify for the scholarships and also about the different courses offered in foreign universities. 56 students and 8 faculty members participated.

A career counselling on the topic “**Upward Mobility- Career Path**” was organised on 22<sup>nd</sup> June 2020. Dr. Pankaj Gupta, Dr. Sampath Kumar and Dr. Raja Babu Kushwah, research scientists at TATA Institute for Genetics and Society (TIGS) addressed the students about the different career options after graduation and also about the different project opportunities at TIGS.

Mrs. Esther Watson and Ms. Nancy Deborah were invited to be the Resource Person for the Gardening Workshop organized by the Student Council of Bishop Cotton Women’s Christian College on 19<sup>th</sup> November 2020. The topic was “**Lets Grow Together**”. Simple home gardening techniques were discussed and demonstrated using coriander seeds.

An online quiz was conducted to prepare students who aspire to take up botany as their core subject in their further studies. **Botany for Competitive exams part-I** was conducted on 16<sup>th</sup> and 17<sup>th</sup> July 2020 and **Botany for competitive exams part-II** was conducted on 24<sup>th</sup> October.

#### **Mrs. Esther Watson, Asst. Prof. and Head of the Department**

Member of Board of Studies, Dept. of Botany of Jyothi Nivas College (Autonomous) for the academic year 2020 -2021 and Member of Board of Examiners, Dept. of Botany of Maharani Lakshmi Ammani College for Women (Autonomous) .

Paper Setter: Mrs Esther Watson was the Paper Setter for Botany Paper I (Diversity of Non-Vascular Plants, Introduction to Microbiology, Viruses, Bacteria, Cyanobacteria and Phycology) for End Semester Examination at Maharani Lakshmi Ammani College for Women (Autonomous).

Reviewer: Reviewer for End Semester Theory Exam Botany Paper I and Paper VI at

Maharani Lakshmi Ammani College for Women (Autonomous).

Faculty Development Programs (FDP) attended:

1. Attended a five days national level FDP on “**Computational Biology**” organised by REVA university from 1<sup>st</sup> February to the 5<sup>th</sup> February 2021.

2. National level FDP on “**Online Teaching Tools**” organised by the Internal Quality Assurance Cell of Rajah Serfoji government college, Tanjore on 18<sup>th</sup> August 2020.

3. Attended two days Faculty orientation Program on “**National Education Policy (NEP)**” organised by Maharani Lakshmi Ammani College for Women on 12<sup>th</sup> and 13<sup>th</sup> January 2020.

4. Attended five days training program on the topic “**Training on Data Collection Assessment and Planning for a Green Campus**” organised by The Center for Science and Environment from 14<sup>th</sup> December to 18<sup>th</sup> December 2020.

5. Attended an International E-certification course on “**Novel exploration in research writing**” organised by the department of chemistry, PSNA college of engineering and technology, Dindigul from 12<sup>th</sup> to 16<sup>th</sup> October 2020.

International/ National/ State level webinars participated:

1. A webinar on “**Artificial Intelligence in Bioinformatics**” organised by the Department of Computer Application, Holy cross College of Management and technology, Kerala on 30<sup>th</sup> October 2020.
2. A webinar on “**Secret treasures in plant science**” organised by department of botany, Mount Carmel College from 20<sup>th</sup> to 23<sup>rd</sup> July 2020.
3. A webinar on “**Mindfulness**” organised by the department of Psychology, Bishop Cotton Women’s Christian College 6<sup>th</sup> August 2020.
4. A webinar on “**Recent trends in Life Sciences**” organised by department of Zoology, G.T.N arts college, Dindigul from 2<sup>nd</sup> to 4<sup>th</sup> July.
5. A webinar on “**Emerging Trends in Genetic Engineering**” organised by the department of biochemistry, Chaitanya, deemed to be university, on 30<sup>th</sup> June 2020.

6. National webinar on **“Enhancing research and teaching capabilities- New education policy”** organised by Jain college from 25<sup>th</sup> to 30<sup>th</sup> March 2021.
7. Five days webinar on **“Plant Health”** organised by the department of Botany Mount Carmel College from 1<sup>st</sup> to 5<sup>th</sup> March 2021.
8. A webinar on **“Road Map for quality audit in higher education”** organised by SRN Adarsh college on 5<sup>th</sup> March 2021.
9. A webinar on **“Polymerase chain reaction”** organised by the Department of zoology BCWCC on 18<sup>th</sup> November 2020.
10. A webinar on **“National Education Policy 2020”** organised by the department of commerce, KLE societies arts science and commerce college, chikodi on 19<sup>th</sup> August 2020.
11. A webinar on **“Transgenic crops- Trends and Threats”** organised by the Department of biotechnology, JSS college for women on 5<sup>th</sup> August 2020.
12. A two-day webinar on **“Advances in plant science”** organised by the department of botany in association with DBT star college scheme, Maharani Cluster University on 13<sup>th</sup> and 14<sup>th</sup> August 2020.
13. A webinar on **“Biological Sciences”** organised by PG and Research department of botany, Thiru A Govindaswamy government arts college, Thindivanam on 6<sup>th</sup> August 2020.
14. A webinar on **“ICT Tools For Teaching-Learning”** organized by St. Xavier’s College, Palayamkottai, on 23<sup>rd</sup> and 24<sup>th</sup> July 2020.
15. A webinar on **“Impact of COVID-19 on agriculture”** organized by PG and Research Department of Economics, Bishop Heber college, Trichy on 23<sup>rd</sup> July 2020.
16. A webinar on **“Integrated and Holistic Approach To Education Beyond Job Orientation”** organized by IQAC of KLE societies Nijalingappa college on 13<sup>th</sup> July 2020.
17. A webinar on **“Algae, Viruses, designer microbes and healthcare”** organised by department of botany, P.C Jabin Science college, Hubballi on 10<sup>th</sup> July 2020.
18. A webinar on **“Boosting up your emotional immunity”** organised by IQAC of Jaganatha university, Jaipur on 3<sup>rd</sup> July 2020.
19. A webinar on **“Networks matter! Estimating the speed of disease in heterogenous connected environments”** organised by MANAV- human atlas initiative on 25<sup>th</sup> June 2020.
20. A webinar on **“Philosophy of Science behind biotechnology”** organised by Research department of biotechnology, Annai Velangani college, Thiruvananthapuram on 9<sup>th</sup> June 2020.
21. A webinar on **“Immunity enhancing medicinal plants to combat COVID-19 pandemic with special reference to Siddha system”** organized by the department of botany, Mount Carmel college on 4<sup>th</sup> June 2020.
22. A webinar on **“Know your Bangalore Environment”** organized by the Eco-Watch club of BCWCC on 24<sup>th</sup> September 2020.

23. A webinar on **“Role of microorganisms in biodiversity conservation and sustainable development”** organised by the department of biotechnology, BMS college on 6<sup>th</sup> June 2020.

**Ms. Nancy Deborah C, Asst. Prof.**

#### ONLINE WEBINAR/FDP/TRAINING

1. An Interdisciplinary Webinar on **“Adapting to Deadly Covid – 19”** organized by the Department of Biotechnology, Home Science, Physical Education, Library Science and Counselling Psychology of Bishop Cotton Women’s Christian College, held on 4<sup>th</sup> June, 2020.
2. A Webinar on **“Immunity enhancing Medicinal plants to combat Covid-19 pandemic with special reference to Siddha system”** organized by the Department of Botany, Mount Carmel College, Autonomous, Bengaluru, held on 4<sup>th</sup> June, 2020
3. A Webinar on **“Waste Valorization: A New Paradigm for Sustainable Environment”** organized by the Environment Club and Department of Life Science, Kristu Jayanti College, Bengaluru on 5<sup>th</sup> June, 2021.
4. A Webinar on **“Role of Microorganism in Biodiversity Conservation & Sustainable Development”** organized by the Department of Biotechnology, BMS College of Engineering & Department of Biochemistry, Indian Academy Degree College, Bengaluru held on 6<sup>th</sup> June, 2020
5. A Webinar on **“Philosophy of Science Behind Biotechnology”** organized by Research Department of Biotechnology, Annai Velankanni College, Tholayavattam, held on 9<sup>th</sup> June, 2020.
6. A Webinar on **“Rethinking ideas of Management Research post Covid-19: focusing on Business, Public policy and Social entrepreneurship”** organized by Ambedkar University Delhi, held on 10<sup>th</sup> June, 2020.
7. MANAV- Human Atlas Data Science Webinar On **"Game Theory: Applications in Biology and in A Pandemic" (Part-1)** organized by National Centre for Cell Science, held on 11<sup>th</sup> June, 2020.
8. An International Webinar on **“E-Learning: Covid 19 Pandemic: Impact and strategies for Education Sector in Indian Society”** organized by the Department of Sociology, Bishop Cotton Women’s Christian College, held on 15<sup>th</sup> June, 2020.
9. An International Webinar on **“The Journey of SARS COV-2: A Deeper Look into the Virus that Stunned the World”** organized by the Department Botany and Microbiology, Vijaya College, Bengaluru held on 15<sup>th</sup> June, 2020.
10. MANAV- Human Atlas Data Science Webinar On **"Game Theory: Applications in Biology and in A Pandemic" (Part-2)** organized by National Centre for Cell Science, held on 18<sup>th</sup> June, 2020.
11. A Technical Webinar on **“Bacterial Concrete: Advanced Phenomenon”** organized by the Department of Civil Engineering, St. Mother Theresa Engineering College, Thoothukudi, held on 19<sup>th</sup> June, 2020.

12. A National level Webinar on **“Gender, Environment and Entrepreneurship in the context of Covid 19”** organized by the Department of Economics, Jyoti Nivas College Autonomous, Bengaluru, held on 19<sup>th</sup> June, 2020.
13. Two Day International FDP on **“The Systemic Impact of Covid-19 Pandemic in Education Sector”** organized by the Department of History, Nirmala College for Women, Coimbatore, held on 19<sup>th</sup> & 20<sup>th</sup> June, 2020.
14. MANAV- Human Atlas #Data Science Webinar On **“Networks Matter! Estimating The Spread Of Disease In Heterogeneous, Connected Environments”** organized by National Centre for Cell Science, held on 25<sup>th</sup> June, 2020.
15. A Webinar on **“Psychosocial Impact of COVID 19 on Education and it's Stakeholders- Students, Teachers and Parents”** held on 26<sup>th</sup> June, 2020 organized by the Home Science Association of India, Karnataka
16. A Webinar on **“Beyond Bias: Empowering Women for Sustainable Growth”** organized by Birla Global University on 27<sup>th</sup> June, 2020.
17. Faculty Development Programme on **“Nuances in Research Writing-Especially for Biologist”** organized by St. John’s College, Palayamkottai, Annai Velankanni College, Tholayavattam, on 28<sup>th</sup> June, 2020.
18. An International Webinar on **“Emerging Trends in Genetic Engineering”** organized by the Department of Biochemistry, Biotechnology, Microbiology, Chaitanya Deemed University, Telangana, on 30<sup>th</sup> June, 2020
19. A National Webinar on **“Bioprospection: Synthesis of Novel Biomolecules and their Patents”** organized by the Department of Botany, Jyoti Nivas College Autonomous, Bengaluru, on 1<sup>st</sup> July, 2020.
20. MANAV- Human Atlas Data Science Webinar On **“Machine Learning & Deep Learning Applications In Astronomy & Biology”** organized by National Centre for Cell Science, held on 2<sup>nd</sup> July, 2020.
21. An International Webinar on **“Recent Trends in Life Sciences”** organized by the Department of Zoology, G.T.N Arts college, Dindigul, from 2<sup>nd</sup> – 4<sup>th</sup> July, 2020.
22. A National Webinar on **“Impact of Covid- 19 on Agriculture”** organized by the Department of Economics, Bishop Heber College, Tiruchirapalli, on 3<sup>rd</sup> July, 2020
23. A National Webinar on **“Boosting Up Your Emotional Immunity”** organized by IQAC, Jagannath University, Jaipur, on 3<sup>rd</sup> July, 2020.
24. Two Days online training on **“Agri-Business and Agri-startups: Experiences and opportunities and Agriculture Innovation Systems for Development”** organized by the College of Horticulture and Forestry, CAU, Pasighat, Arunachal Pradesh, on 3<sup>rd</sup> and 4<sup>th</sup> July, 2020.
25. A Webinar on **“Herb and Drug Interaction”** organized by the Department of Biochemistry & IQAC, Late Shri. Vishnu Waman Thakur Charitable Trust, on 6<sup>th</sup> July, 2020.
26. Faculty Development Programme on **“Responsibilities of Microbiologist in Combating Pandemic Diseases”** organized by the Department of Microbiology, K.S. Rangasamy College of Arts and Science, Tiruchengode, on 8<sup>th</sup>, 9<sup>th</sup> & 10<sup>th</sup> July, 2020.
27. Five Days National Webinar on **“Scientific Tools to Boost Immunity and Mental Health”** organized by IQAC and Faculty of Science, Amrusteshwar Arts, Commerce and Science College, Pune during 6 – 10 July, 2020.

28. An International Webinar Lecture Series on **“Biological Sciences”** organized by the Department of Botany, Jamal Mohamed College, Tiruchirappalli from 6<sup>th</sup> to 8<sup>th</sup> July, 2020.
29. An International Webinar on **“Start-up Ecosystem in Biological Sciences Sector”** organized by the Department of Botany, St. Joseph’s College, Tiruchirappalli, on 9<sup>th</sup> July, 2020.
30. A webinar on **“Algae, Viruses, Designer Microbes and Health Care”** organized by PC Jabin Science College, Hubballi, conducted on 10<sup>th</sup> July, 2020
31. A National Webinar on **“Nutrigenomics – What you eat is what you are”** organized by the Department of Botany, MES College of Arts, Commerce and Science, Malleswaram, Bengaluru, on 11<sup>th</sup> July, 2020.
32. National Level Programme on **“Awareness on Population Education”** organized by the Department of Lifelong learning and Extension, Savitribai Phule Pune University, on 11<sup>th</sup> July, 2020.
33. An International Webinar on **“Modern Approach to combat against Cancer and Diabetes”** organized by Bharat Techonology, Howrah, West Bengal on 12<sup>th</sup> July, 2020.
34. National Level Interactive Webinar on **“Integrated and Holistic Approach to Education beyond Job Orientation”** organized by IQAC, KLE Society’s Nijalingappa College, Bengaluru, on 13<sup>th</sup> July, 2020.
35. A National Webinar on **“Promoting Gender Equality: Strategies and Challenges”** organized by Centre for Women Empowerment and Women Studies, Manonmaniam Sundaranar University, on 15<sup>th</sup> July, 2020.
36. A Webinar on **“Impact of Climate Change on Biodiversity in India”** organized by STLLES India, New Delhi and EcoR Foundation, Kochi, on 15<sup>th</sup> July, 2020.
37. Two Days National Webinar on **“Biodiversity Conservation and its Management”** organized by the Department of Zoology & Biotechnology, Government Girl’s PG College, Ujjain in collaboration with Zoological Society of India(ZSI) and Society of Life Sciences on 15<sup>th</sup> and 16<sup>th</sup> July, 2020.
38. Faculty Development Programme on **“Research Methodology”** organized by Balaji Institute of Management Science, Warangal, Telangana during 13<sup>th</sup> – 17<sup>th</sup> July, 2020.
39. Five Day National Level Online Faculty Development Programme on **“Digital Skills for Enhanced Teaching and Learning”** organized by PG & Research Department of Historical Studies, Govt. Arts College for Men, Nandanam, Chennai, between 13<sup>th</sup> – 17<sup>th</sup> July, 2020.
40. An International Webinar on **“Applications of Algae”** organized by the Department of Microbiology, K.R.College of Arts and Science, Kovilpatti, on 18<sup>th</sup> July, 2020.
41. A National Webinar on **“Current Scenario of Locusts and their Management”** organized by the Department of Zoology, Jai Narain Vyas University, Jodhpur, Rajasthan, on 19<sup>th</sup> July, 2020.
42. An International Webinar on **“Past, Present and Future Trends in Vaccinology”** organized by Madurai Kamaraj University on 20<sup>th</sup> July, 2020.
43. National Webinar on **“Misinformation in Medicine: Myths vs Facts”** organized by the Department of Business Administration, The American College, Madurai held on 20<sup>th</sup> July, 2020.
44. A National Webinar on **“Natural Products for Human Health Management”** organized by the Department of Botany, St. Joseph’s College, Tiruchirappalli, on 22<sup>nd</sup> July, 2020.

45. An International Webinar Series on **“Secret Treasures in Plant Science”** organized by the Department of Botany, Mount Carmel College, Bengaluru during 20 -23<sup>rd</sup> July, 2020.
46. National Webinar on **“ICT Tools for Teaching – Learning”** organized by IQAC, St. Xavier’s College, Palayamkottai, on 23<sup>rd</sup> & 24<sup>th</sup> July, 2020.
47. An International Webinar on **“The importance of Biotechnology tools for the Conservation of Bio-resources”** organized by the Department of Zoology, Raja Doraisingam Govt Arts College, Sivagangai, on 24<sup>th</sup> July, 2020.
48. A Three Day International Webinar series on **“Unlocking Approaches in Biological Research”** held on 24 to 26 July 2020 organized by the Department of Botany, St. Joseph's College(Autonomous), Tiruchirappalli.
49. An International Webinar on **“Barriers for Women Empowerment: Strategies to overcome”** organized by Centre for Women Empowerment and Women Studies, Manonmaniam Sundaranar University, on 28<sup>th</sup> July, 2020.
50. A National Webinar on **“Biotechnology for Future”** organized by the Department of Biotechnology, Government Institute of Science, Aurangabad, on 28<sup>th</sup> July, 2020.
51. A National Webinar on **“Organic Farming for Sustainable Agriculture”** organized by the Department of Zoology, MES College of Arts, Commerce and Science, on 29<sup>th</sup> July, 2020.
52. A National Webinar on **“Covid-19 Lockdown and Women”** organized by IQAC and Women Empowerment Cell, Pt. Deen Dayal Upadhyay Govt. Girls Degree College, Sewapuri, Varanasi, U.P on 2<sup>nd</sup> August, 2020.
53. One Day State Level Webinar **"Impact Of Virus And Vector On Human Health"** held on 5<sup>th</sup> August, 2020, organized by Department of Zoology in collaboration with IQAC , Krishnagar Government College, Krishnagar, Nadia, West Bengal.
54. Two Day Webinar on **“Advances in Plant Sciences”** organized by the Department of Botany in association with DBT Star College Scheme, Maharani’s Science College for Women, Bengaluru on 13<sup>th</sup> & 14<sup>th</sup> August, 2020.
55. Faculty Development Programme on **“Online Teaching Tools”** organized by Internal Quality Assurance, Rajah Serfoji Government College, Thanjavur on 18<sup>th</sup> August, 2020.
56. One Day National Webinar on **“National Education Policy – 2020”** organized by the Department of Commerce, K.L.E Society’s Basavaprabhu Kore Arts, Science and Commerce College, Chikodi, Karnataka on 19<sup>th</sup> August, 2020.

### Quiz- 1

Quiz organized by the department of Zoology, University of Mysore, Manasagangothri, Mysore, Karnataka, on **Advance Quiz on COVID-19** on 12<sup>th</sup> June 2020.

**Mrs. Gowthami Nair A, Asst. Prof.**

### International Webinars organized:

Webinar organized by the Department of Zoology, GTN Arts College (Autonomous), Dindigul, Tamilnadu, on Recent Trends in Life Sciences from 2<sup>nd</sup> July 2020 to 4<sup>th</sup> July 2020

### National Webinars organised:

1. Webinar organized by the Department of Botany, BCWCC, on Fiery Drag of Biotechnology – A Philosophical Approach on 1<sup>st</sup> July 2020.
2. Webinar on "Herb and Drug Interaction", conducted by the department of Biochemistry, BWT College of Science on 6<sup>th</sup> July 2020.

3. Webinar on "Spit free India Movement", conducted by Narayana Health during June - August

4. Webinar on "Bird Watching: An introduction", conducted by ABHAV foundation on 9<sup>th</sup> July 2020.

#### Quizzes:

1. Quiz on "Biodiversity", conducted by St. Albert's College, Ernakulam on 5<sup>th</sup> June 2020.

2. Quiz organized by the department of Zoology, University of Mysore, Manasagangothri, Mysore, Karnataka, on Advance Quiz on COVID-19 on 12<sup>th</sup> June 2020.

3. Quiz organized by the department of Zoology, University of Mysore, Manasagangothri, Mysore, Karnataka, on "General awareness online quiz on COVID-19" on 12<sup>th</sup> June 2020.

4. Quiz on "Central Dogma of Molecular Biology", conducted by the department of Biotechnology, Gujarat from 6<sup>th</sup> July 2020 to 12<sup>th</sup> July 2020.

5. Quiz on "Genophilia", conducted by the department of Zoology and Genetics, The Oxford College of Science on 8<sup>th</sup> July 2020.

6. Quiz on "Toozoonophilia", conducted by the department of Zoology and Genetics, The Oxford College of Science on 7<sup>th</sup> August 2020.

### **DEPARTMENT OF BIOTECHNOLOGY**

#### Program Conducted

The Department of Biotechnology, Botany and Chemistry conducted a InterNational level Career Counselling Webinar "**Whats Next: Career Opportunities In Life Sciences**" on 15-06-2020, 11.00-12.30 PM, **Resource Person** : PujaRauniyar Fellow Student, Netherlands, Students from different college attended.

Career Opportunities In Life Science Webinar Organized by: Department of Chemistry, Botany & Biotechnology. The speaker discussed about the Admission process-Study Background, Statement of PURPOSE/ Motivation letter, Excellent grades, Recommendation letter, English Language tests: IELTS, TOEFL Europass CV, Extra and co-curricular activities, Publications, seminars, workshops, projects, extra courses, etc. *GRE/GMAT: USA, Canada.*

She briefed about funding options Full Bright Scholarship in USA

- Erasmus Mundus Scholarship in EU

- Danish Government Scholarship in Denmark
- Swiss Government Excellence Scholarship for Switzerland
- Paris-Saclay Scholarship for France
- Eiffel Excellence Scholarship Programme for France
- Endeavour Postgraduate Awards for Australia
- Vice Chancellor Scholarship for Austria

This benefited the students to apply for the scholarship to study abroad, various skills required for the admission of post graduate courses. There is lot of opportunities available in the field of science, Life sciences is of great importance during this pandemic period.

The department of Biotechnology and Botany organized National Level Webinar on “UPWARD MOBILITY CAREER PATHS” on 22<sup>nd</sup> June 2020, from 11:00-12:00 pm.

The Resource Person was Dr.Sampath Research Scientist at the Tata Institute for Genetics and Society- India (TIGS-India), a research institute in partnership with the University of California – San Diego, as well as a post-doctoral associate at the University of California, Irvine, **2.** Dr. Pankaj Gupta Tata Institute for Genetics and Society (TIGS) New inStem building, GKVK Post, Bellary Road, Bangalore 560065, **3.** Dr.Raja Kushwah Tata Institute for Genetics and Society (TIGS) New inStem building, GKVK Post, Bellary Road

This webinar highlighted on career after finishing undergraduate courses, how to aspire postgraduate, Philosophy of Doctrate and Post Doctrate. The guest speakers were from highly esteemed Research Institution, NCBS, Bangalore. They shared their personal experience how to become successful Scientist. The speakers motivated the students to score well in the university exams in order to qualify the entrance exams for Internship, PG Courses, Junior Research, Senior Research Fellowship, and Phd. Students were exposed to many Universities across the state and Countries, availability of Sponsorship for pursuing higher studies.

#### National Level Webinar

The department of Biotechnology organized National Level Webinar on “The Process of Drug Discovery” October 3<sup>rd</sup> 2020 at 2:30-3:30 pm. **The Resource Person was** Dr. Anirudha LakshmiNarasimhan Senior Scientist At TATA Institute of Genetics and Society Dr.Anirudha gave detailed explanation about- The process of Drug discovery during this pandemic period. The students gained thorough knowledge about different phases of trials implemented drug to be administered and the students learnt their importance. The resource person explained about “Role of Knockout mice in discovery and designing drugs to treat neurological diseases like Parkinson and Alzheimer’s disease which paved the way for Novel vaccine production. The students were able to understand the production of monoclonal antibodies and immunological part of it.

#### Webinar Organised

The department of Biotechnology commemorate World DNA DAY on April 25<sup>th</sup>. The webinar “Flow of Genetic Information In Biological System” on 26<sup>th</sup> April 2021 from 3:00-4:00 pm

The **Resource Person : Dr. Chanarayappa, Professor , Head Dept. of Biotechnology and Genetics, Ramaiah College of Arts, Science and Commerce.**

The speaker highlighted on the importance of flow of Genetic Information in Biological system. The various epigenetic influences on humans by different sources present in the environment. This might be harmful and interfere with the body and mind creating an imbalance, which might manifest as a disease or psychological disorder. Students were able to grasp the importance of genetics and understand the effects of epigenetics.

### Mentoring Activities

Assignments and Seminars were given for the advancement of knowledge in students, in order to enhance their communication, presentation and learning skills. Remedial classes were conducted to help the slow learners to perform well.

**Dr. Sharmila Wesley, Professor and Head of the Department:**

### BOS Member:

Member of Board of studies (UG) in Biotechnology of Maharani Cluster University for the academic year 2020-21.

### BOE Member:

- 1.Member of Board of Examiners, Department of Biotechnology, Bengaluru City University for the year 2020-21
- 2.Member of Board of Examiners, Department of Biotechnology, Maharani Cluster University for the year 2020-21
- 3.Member of Board of Examiners, Department of Biotechnology, Maharani University for the year 2020 – 2021

### Resource Person:

Was invited as a Resource person for the Multidisciplinary webinar on “Adapting to deadly Covid – 19 by the departments of Biotechnology, Counselling, Home Science and Library Science of Bishop Cotton Women’s Christian College on June 4<sup>th</sup> 2020.

### Faculty development program attended:

1. Attended three days “FDP on Bio Resources” organized by the Department of Microbiology, KR, College of Arts and Science from 30-07-2020 to 01-08-2020
2. “Training on Data collection, assessment and planning for Green Campuses” conducted by the Centre for Science and Environment, India from 14-12-2020 to 18-12-2020
3. Two day Faculty orientation programme on ‘National Educational Policy-2020’ held on 12th and 13th January 2021

### **DEPARTMENT OF MATHEMATICS**

#### **Faculty Development Program(FDP):**

The National Level Online Faculty Development Program was organized for three days by the department of Mathematics on the topic “Matlab and It's Applications” from 17<sup>th</sup> - 19<sup>th</sup> August 2020 at 11:00am - 12:30pm via Microsoft Teams. Matlab workshop mainly focuses on the faculty eager to learn about Matrix Laboratory which is a high-level language and interactive environment for numerical computation, visualization and programming. Using Matlab, we can analyze data, develop algorithms and create models and applications. The language, tools and build-in math functions provide to explore multiple approaches and reaches to solution faster than with spreadsheets or traditional programming languages.

In Day -1 session, Prof. Esther Prasanakumar , Principal, extended greetings and welcomed the faculty to the program . The introduction of the speaker was given by Ms.Evelin Silviya S , Assistant Professor , Department of Mathematics. Eminent speaker Dr. S. Dhanaseker , Department of Mathematics ,VIT University, Tamilnadu , discussed on “ Introduction of Matlab, Matrices and Plotting in Matlab. Day-2 session, continued by Dr.A.David Maxim Gururaj, Department of Mathematics ,VIT University , Tamilnadu, discussed on “Calculus using Matlab” and Day-3 session, by Dr.Hariharan S, Department of Mathematics, Amrita Vishwa Vidyapeetham, Tamilnadu , discussed about “Solving ODE and PDE by using Matlab”. The Vote of Thanks given by Ms. Shashikala A, Assistant Professor, Department of Mathematics. The FDP programme received an overwhelming response with 250 faculty members and research scholars from various states of India from reputed organizations. Feedback was received from the participants . E-certificated were presented to all the participants.

#### **Short Term Training Program(STTP) :**

Virtual Short Term Training Program was organized for three days by the department of Mathematics on the topic “R for Statistics and Data Science” was held during 25<sup>th</sup> – 27<sup>th</sup> August 2020 at 11:00am - 12:30pm via Microsoft Teams. The Short Term Training Program provided practical hands-on –session. R is an open source programming software for statistical computing and graphics. The R language is widely used among researchers in science for data analysis and for statistical modeling. The workshop is designed to orient the participants in data analysis and programming from basic level to advanced level.

In Day- 1 session , The introduction of speaker was given by Ms.Evelin Silviya S , Assistant Professor , Department of Mathematics. Eminent speaker Dr.A.David Maxim Gururaj, Department of Mathematics ,VIT University, Tamilnadu , discussed about “R for Data Analysis”. Day-2 session, continued by Dr.S.Dhanasekar, Department of Mathematics, VIT University, Tamilnadu , discussed on topic “ R for Correlation and Regression” and Day-3 session, by Dr. Hariharan S , Department of Mathematics ,Amrita Vishwa Vidyapeetham, Tamilnadu, discussed about “R for Inferential Statistics”. He summarized about Categorical Data analysis in R , Data management in R, Descriptive statistics and Graphics in R. The tutorial session created an interest in learning this software and they have been given an assignment that comprises of a set of creative questions for continuous learning process. The Vote of Thanks given by Ms. Shashikala A, Assistant Professor, Department of Mathematics. . Around 250 research scholars, faculty members and students from various states of India attended the program. Feedback was received from the participants. Training Completion Certificates were presented to all the participants.

### Math Quiz:

Inter-Collegiate Math Quiz conducted on the occasion of birth anniversary of the great mathematicians Bernhard Riemann on 21<sup>st</sup> September 2020 at 9:00am through Google form. Around 115 faculty members and students participated. E-Certificate were issued to those who secure more than 50% and above in the quiz.

### Webinar:

Department of Physics in collaboration with Department of Chemistry and Department of Mathematics organized National Webinar on September 30<sup>th</sup> 2020 at 11:00am - 1:00pm via Microsoft Teams. Eminent speaker Dr. P S Basavaraju Rtd , Professor BIT College, Bengaluru, delivered the lecture on topic “Planck's constant and Ideas across different area of science”. Nearly 130 faculty and students participated from various states of India. E- Certificate were provided to all the participants.

### National Mathematics Day

Department of Mathematics Commemorating National Mathematics Day on 22<sup>nd</sup> December 2020. Birth anniversary of great mathematician Srinivasa Ramanujan, conducted inter-collegiate events-Quiz , Puzzle, Photography , Digital Poster Making, Lecture Contest, Pencil Portrait Sketch. Students from nine colleges participated in various events. E-certificated were presented to all the winners.

### National Pi Day

Celebrated Pi Day on March 14<sup>th</sup> 2021 as per the fraction 22/7 on the occasion, conducted inter-collegiate events - Fruit and Vegetable carving , T-shirt Art and Puzzle. Students from five colleges participated in the events. E-certificated were presented to all the winners.

**Ms. Evelin Silviya S, Asst. Prof.**

Webinars attended:

- 1.Participated in the webinar on topic “Mathematics in Aviation ” on the occasion of National Mathematics Day organized by Department of Mathematics, B.M.S College for Women on December 22<sup>nd</sup> 2020.
- 2.Participated in one day National Webinar on “ How to Write and Publish Research Article” organized by Government College for Women, Chintamani , held on 16<sup>th</sup> March 2021
- 3.Participated in the webinar on an Adaptive Finite Element Discretization of Darcy-Brinkman-Forchheimer Model, organized by Department of Mathematics, Reva University held on the 20<sup>th</sup> March 2021.
- 4.Participated in the three days virtual Science Academies’ Lecture Workshop on INTRODUCTION TO MATHEMATICAL ANALYSIS AND APPLICATIONS” organized by the Post Graduate Department of Mathematics and Research Centre in Applied Mathematics, M. E. S. College of Arts, Commerce and Science during April 6<sup>th</sup> - 8<sup>th</sup> 2021.

Refresher course

Participated in the "AICTE - ISTE Sponsored One Week Virtual Refresher Programme on "Applied Mathematics” organized by the Department of Mathematics, M. Kumarasamy College of Engineering, Karur from 15.03.2021 to 20.03.2021.

**Ms. Shashikala A, Asst. Prof.**

Webinar attended:

- 1.A two-day International Webinar on ALGEBRA, ANALYSIS & TOPOLOGY ON 13<sup>TH</sup> AND 14<sup>th</sup> August 2020 Organized by Department of mathematics, Bankura University.
- 2.Webinar on Beyond Bias: Empowering Women for Sustainable Growth on 27<sup>th</sup> June 2020 by Birla Globe University

FDP attended

Five – days FDP on “Embracing Online Teaching and Learning” on 03th - 07th May 2021, organized by Department of Management Studies and Department of Computer Science and Engineering, National Institute of Technology, Tiruchirappalli.

**DEPARTMENT OF COMPUTER SCIENCE**

### Faculty Development Programme:

A National level Faculty Development Programme was conducted on 15/6/2020, on the topic “Online Learning Assessment Resources”, by Dr. Ashok Immanuel, Associate Professor, Christ University, Bangalore. Around 100 faculties actively participated in the programme. It was enlightening for the faculties on the current online tools and facilities available.

### National level webinar:

Four days National level technical webinar was conducted by ITK Education Services Private Limited, Chennai. Around 175 students and faculties attended the webinar.

Day 1: On 4/8/20 the webinar was conducted on “Robotics”. The Resource persons were Mr. Aravind Ramachandran, Senior Manager, MTAB Technology Center and Mr. Joseph M, Founder and Managing Services Pvt. Limited.

Day 2: On 5/8/20 the webinar was conducted on the topic “Low Code Automation using Zoho”. The resource persons for the second day were Mr. Joseph M and Ms. Sowmya B, Vice President, ITK Solutions.

Day 3: On 6/8/20 the webinar was conducted on the topic “Machine Vision and Intelligence”. The resource persons for the third day was Dr. Rinu, Associate Professor, SRM Institute of Science and Technology.

Day 4: On 7/8/20 the webinar was conducted on the topic “Smart Factory Automation”. The resource persons for the fourth day were Mr. Aravind R and Mr. Joseph.

### National level Intercollegiate Competition:

Online National level intercollegiate competitions were conducted. Online E-Quiz competition was conducted on 20/8/20 and 150 students participated in the event. Online coding competition ‘Decode’ was conducted on 26/8/20 and 192 students actively participated in this event and E-certificates were issued to all the winners.

### Bridge Course:

Bridge course was conducted for first year BCA and BSc students to help the students who came from a diverse background. It was conducted from 9/9/20 to 23/9/20 which helped the students to fill the gap in Computer knowledge. The topics to be covered during these sessions were designed and the course was conducted as per the designed syllabus.

### Guest Lecture:

On 12/11/2020 a guest lecture was conducted on “Computer Vision and Machine Learning”. The resource person was Mr. Varghese P K, Project Associate, Robert-Bosch Center for Cyber-Physical Systems, Indian Institute of Science, Bengaluru. Around 98 students from the BCA stream participated in the guest lecture. The speaker addressed the students on Computer Vision, Integrating Computer Vision with Machine Learning and the Applications of Machine Learning.

### Newsletter:

The department newsletter Bits & Bytes (Volume 3), for the academic year 2019-2020 was released on 16/12/2020.

#### Student achievements:

Some students of BCA stream have done online MOOC courses on different topics like DBMS, Demystifying Networking, Cloud computing, Big data and Python for Data Science. They have participated in many online competitions and received E- certificates from Sadhana Degree College, Sri krishna Degree College, Vivekananda Degree College, etc. They have also participated in the four days National Technical webinar, conducted by the Department of Computer Science, Bishop Cotton Womenn's Christian College.

#### Mentoring:

Mentors are assigned to all the students and they helped and guided the students to achieve their personal and educational achievements. Weaker students were given assignments and tests which helped and encouraged them in performing better in the University examinations.

### **DEPARTMENT OF POST GRADUATE STUDIES: M.COM.**

1.Topic - National Webinar Analytical Techniques for Business Research - Date - 27th June 2020  
-Resource Person - Dr.Anil Gowda.

Summary:

A National Webinar on **“Analytical Tools and Techniques for Business Research”** was organised by the Department.

During the current pandemic education at our institute didn't come to a standstill. Various online events and programmes kept the students well occupied and expanded their knowledge to a great extent.

The objective of this event was to cover all the queries about business research and to highlight the different tools and techniques used for conducting productive research to acquire prospective results. The resource person briefed us through a series of methods to analyse and interpret data that would give optimum results.

Entire session was constructed in such a way as to help participants from various sectors namely, entrepreneurs, businessmen, research scholars and students as well.

The event was a great success receiving immense response from across the globe. Dr. Anil B Gowda being the resource person shared valuable knowledge which received much appreciation and contributed to the success of the event.

2.Topic- National Webinar on “Systematic Approach for learning GST” - Date- 10th December 2020 - Resource person- Dr. V Rajesh Kumar.

Summary:

A Webinar on **“Systematic approach for learning GST”** was organised by the Department.

Various online programmes and events kept the students well occupied and provided opportunities for them to gain knowledge about various topics related to finance, accounting and so on.

Considering the importance of Gst in our day-to-day lives, it is important for us to learn and have an idea about the topic. Dr. V Rajesh Kumar the resource person briefed us through the background of Gst, framework of indirect taxes and finally about Systematic approach for learning Gst. The entire session was very informative as it explained how is Gst practically applied.

The resource person, started the session by giving us a brief introduction of the tax system that existed in India before the introduction of Gst, then he explained about the present framework of indirect taxation in India, following which was the actual topic of the Webinar which mainly focused on all we need to know about Gst.

The topic was very well explained by describing about the procedure for the calculation of Gst, which consisted of ten steps starting with:

1. Listing all the transactions carried out by a dealer during the given time period.
2. Identification of transactions involving Supply of taxable goods and/or services.
3. Consolidating all the taxable transactions of the period and classifying them under forward or reverse charge.
4. Ascertaining the taxable value of each transaction.
5. Identifying the type of GST and applicable GST Rate: Type of GST refers to 'IGST 'or 'CGST & SGST (or UTGST)'. Identification of this depends on 'Place of Supply'. The rate at which GST is payable depends on 'time of supply'.
6. Calculating the 'net GST Payable 'after adjusting for 'input-tax credit 'and ascertain the balance of Input Tax Credit available.
7. Paying the GST within the prescribed time limit. The due date for payment depends on the 'time of supply 'for each transaction.
8. Filing returns periodically within prescribed due date.

The above points were explained in detail by which were easily understandable making the concept of Gst very clear. The webinar was a great success entire session was very interesting and informative and hence was a huge success.

#### Student Orientation:

The Post Graduate Student Orientation was held on 11th January 2021 in the Seminar hall Post Graduate centre (HRD Block).

Student orientation is an event which is done at the start of an academic year to orient and welcome new students during the year. It helps the new students to understand the environment in the college, the educational opportunities available for them, the values and functions of the college and the motto of the college. It briefs the newly joined to be aware of all the activities and events scheduled for them and helps them to work on them.

The lighting of the lamp was done by our Principal Prof. Esther Prasanakumar and other dignitaries. The Principal then addressed the gathering by her words of wisdom which were really inspiring and helpful to achieve our endeavours.

#### Investiture Ceremony:

The Post Graduate department of Commerce had organised the Investiture ceremony on 1st February 2021 to install and badge the student council.

The Investiture ceremony is one of the most auspicious occasion of our college. It is the platform to showcase the leadership skills and abilities of students and is the most prestigious ceremony in the schedule of our college events. A good leader not only inspires her team; she also inspires the

world. Learning, what it takes to be a great leader is a process that requires courage – the courage to realize other people's potential and want them to have personal success in life as much as you want success in your life. A leader is someone who is ready and willing to share the limelight and celebrate the hard work and dreams of others.

The lighting of the lamp was done by our Principal, Prof. Esther Prasanakumar and other dignitaries, followed by installation of the student council of Post Graduate Department comprising of the Class prefect, Cultural Representative, Sports Representative and Chapel Representative for each class.

#### Fresher's Day:

The Post Graduate department of Commerce students organized Fresher's party for all the first year students of M.com, M.sc and M.A on 2 nd February 2021 with guidance of Dr. Harshini Esther. It was a fun contest comprising of three events that is cooking without fire, pick and speak and Talents hunt round, based on these three events the freshie queen was crowned. It started off with a welcome speech by Ms Lalitha from M. Com, followed by prayer.

The 2nd year Mcom students gave an energetic dance performance for their juniors. Games such as musical chairs, dumcharades were played to keep the crowd engaged. A fashion show was also performed by juniors.

The juniors were enthusiastic about the events and took part in great numbers. The day was filled with activities. All the events were well planned. Cooking without fire event was judged by Prof. Prabha Mathew, Pick and speak event was judged by Dr Vijayshri R comprising of various general topics as well as current topics which helped them to share their thoughts about it followed by the last event, talents hunt judged by Prof. Vidya which helped the juniors to bring out their hidden talents such as dancing, singing, poetry, playing musical instruments etc. Based on these three events, the fresher queen was selected and it was Ms Sharanya from M.Sc. Psychology.

#### Dancercise:

The Post Graduate Department of Commerce II year students organized a Wellness programme called Dancercise with the support and guidance of Dr. G. Harshini Esther on 24th February 2021 in the seminar hall PG department HRD block for the entire Post graduate department. It was informative and at the same time full of energy and fun.

The programme was a blend of dance plus exercise. The faculty from various streams across the campus joined along. Ms.Rajeshwari Gowda gave a demo on making healthy smoothie and also explained the benefits of the same.

#### Movie Screening:

The Post Graduate department of Commerce organized for a movie screening based on women Empowerment which was saand ki aankh for all the Post Graduate students on 27<sup>th</sup> February 2021 in the Seminar Hall, PG center (HRD block).

Saand Ki Aankh is based on the real-life sexagenarian sharpshooters, Chandro and Prakash Tomar (played by Bhumi Pednekar and Taapsee Pannu respectively), Saand Ki Aankh first gives us a sneak-peek into the lives of these two sister-in-laws when they were newly-married. The ladies toil hard day and night and are majorly confined to the four walls of their houses.

Under the pretense of visiting religious places, Chandro and Prakash start participating in many shooting competitions and win medals. What began as an escape from their mundane living, slowly becomes a weapon for them with which they rebel against the patriarchal setup of the society. After the movie screening, there was a session for discussion among the students conducted by Dr Harshini Esther to bring out their opinions and view points about women empowerment and how students deal with challenges they face as women in the world. Overall, it was a great experience for all the students as the movie was based on women empowerment and it motivated and encouraged them to overcome the challenges faced by them as women.

### Industrial Visit to Decathlon

The Department of (PG) of Bishop Cotton Women's Christian College organised an Industrial Visit to Decathlon, Bangalore for the 1st and 2nd year M.Com Students consisting approximately 30 students, on 2nd of March 2021 headed by Dr. Narasimhan, and Dr. G. Harshini Esther.

#### Objectives of Industrial Visit:

To overview the practical application of management principles in the real business scenario.  
To understand how management is being practiced in Decathlon Sports Retailer.

The overall experience of visiting Decathlon was very enriching and informative. Students got a clear picture as to how industries like such actually work, which in turn brought practical knowledge to the students apart from that of theory. It was a great experience to have been able to know about the company's working and how challenging it is for the company to compete with their other competitors worldwide.

### **LIBRARY AND INFORMATION SCIENCE**

From school to college, developing young minds in close physical proximity came to an abrupt halt in mid-March 2020 by the pandemic. Understanding the altered needs of our students in these times, we had to adapt to the change with the help of technology. Instead of providing only physical access, digital access was initiated.

The college library took institutional membership in two prestigious institutions namely The British Council & DELNET for online resources. With these online resources, our staff & students could read and download all E-learning resources.

The **British Council Library** membership provided the following:

**E-Books:** Read and download 120000+ full text e-books and audio books (both academic and fiction)

**E-Magazines:** Read and download the best of UK magazines including The Economist, Amateur Photographer, New Scientist Etc.

**E-Movies:** Watch over 8000 award winning movies, short feature films and documentaries.

**E-Learning Resources:** Access 40000 online learning modules on soft skills and software applications and access over 1555 digital graphic novels.

**E-Journals:** Read and download over 2000+ journals from JSTOR and 15000+ from ProQuest.

**E-Newspapers:** Read 8000 +e-newspapers from across 100 countries.

**Watch online:** Movies, theatre performances, music documentaries and stream live concerts.

**Road to ILETS Guide:** Access to full version with 150 hours of practice.

Similarly, **DELNET** membership too provided the following:

**E-Book Directory:** which is a daily growing list of links, to freely accessible e-books, documents and lecture notes, found all over the internet. There are 10849 free e-books in 709 categories.

**E-Journals:** 4125 e-journals in 17 subjects.

**Four online-databases**

With these resources the students could not only open up windows for them to learn, but also to explore and to contribute in improving the quality of life.

**Mrs. Rose Francis,**  
Librarian.

## COUNSELLING

Counselling is a process that enables to sort out issues and reach decisions affecting their life. Often counselling is sought out a time of change or crisis, it need not be so however as counselling can also help us at any time of our life.

Counselling involves talking with a person in a way that helps a person solve a problem or helps to create conditions that will cause person to solve a problem or helps to create conditions that will cause a person to understand and /or improve his /her behaviour, character, values or life circumstances. In the end of the counselling process, the client himself /herself as an insight to the problem and he/she becomes empowered to take his or her own decision.

Conflicts, academic problems, career, personal and socially related problems than in the past. counselling programmes involves individual sessions with students, where truth serves as a mean to reach the goals of counselling. Follow up sessions are carried out as on a regular basis and parents are involved in the process if the need demands.

The counsellor was also actively involved in meeting the students and parents who have shortage of attendance. They were counselled and advised to be regular to college and to maintain 75% attendance in all subjects. In future, the counsellor hopes to instill skills that will enable our students to be efficient and successful.

Counselling is defined as the service of helping people to adjust or deal with personal problems, by enabling them to discover for themselves the solution to the Problems when receiving attention from a counsellor.

### The Counsellor's View point

As the counsellor, I had to deal with not counselling but also address issues and also to manage the help desk to help our students and parents. Throughout the year, I met students staff and parents addressing many issues like peer pressure, parental pressure, academic pressure and personal problems, relationship problems, depression, career guidance, shortage of attendance, misconduct, enquiries, ventilation, interpersonal problems, relationship problems and other issues. I have maintained confidentiality and dealt with each individual on a non-judgemental basis. Certain sensitive matters had to be taken up with the principal and handled delicately. I have maintained confidential reports after every session and also maintained a record of work

on a daily basis. I have also got feedback from students, parents and staff on the sessions that were conducted. Certain case follow up sessions were taken up by me. Students who had approached me seeking help have also brought their classmates and friends for various issues. This shows a definite positive impact of my counselling services.

Respondents were asked for general comments or remarks of the service provided.

My primary tasks to support the academic session of the college by providing a range of interventions which enhance a student's ability to be consistently engaged with achieving their academic potential

**Mrs. Yallina Thomas,**  
Counsellor.

### CHAPEL

**Ephesians 4:2-6** – *“Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.”*

#### Online Chapel Service

The Chapel Service has been integrated in the college timetable, during the Value Education hour on every alternative Thursdays for all the Christian Students and is open for all the interested non-Christian students as well. However due to the COVID19 pandemic, which had resulted in a sudden Lockdown and classes had been conducted online. The Chapel Services for the academic year of 2020 – 2021 was held online on Fridays at 2:30pm / 4:00pm through Zoom for the students. During the chapel service, the students were exposed to learn and to grow through various activities. The students of each departments took turns in doing the Opening Prayer, Bible reading, praise and worship, Prayer for the world and the closing prayer. The Word of God had been given by few staff and students on every alternative Chapel service with their own creative themes.

#### Campus Christmas Carols

On the 18<sup>th</sup> of December 2020, the students and staff of various departments had brought seasonal tidings, filling the campus with the joy of Christmas by singing a few Christmas carols in the teachers’ staff room of various departments, the library, labs and in the Principal’s Office. We also shared the joy of Christmas to the Principal of Bishop Cotton Women’s Christian Law College and staff.

### PLACEMENT CELL

The main objective of the Placement Cell is to place students who are interested in working after graduation, in suitable jobs in various companies, as well as assist them with internships during their courses.

A Whatsapp Group with the final year students and those of last year's is the main mode of communication and co-ordination. This has proved to be a quick and effective way of communicating. This also includes the Class Reps and Alumni Representative. All details of available internships, campus drives and job opportunities are posted here and further co-ordination is done via mails and Google Forms.

An LOU was signed on 23<sup>rd</sup> September, by the college and CSRBOX, a CSR initiative by IBM, for students, faculty and alumni, to have access to various training modules on their platform via registrations. This is a lifelong opportunity to learn and develop oneself on interested topics. Certificates are provided on request. IBM Certified course completion badges are awarded and they can be displayed on the individual's Linkedin profiles. We had 231 registrations for this opportunity. CSRBOX conducted a training program on how to use the platform on the 23<sup>rd</sup> of November 2020. Subsequently, they share links to sessions that they conduct which are passed onto the students via the whatsapp group. Those interested in the topics attend the sessions. Exclusively, for BCWCC, they conducted two sessions.

19<sup>th</sup> May: Resume Writing & Interview Skills by Mr. Manoviraj Singh had 177 registrations

18<sup>th</sup> June: Master Class on Digital Marketing by Professor Gunjan Dhanjal Sidhu had 148 registrations

### Placements:

This year the placement activity was slow because of the pandemic. However, I did my best to reach out to those who were recruiting freshers. Three companies – KPMG, Dell & Amazon - who

met our students last year, did not conduct campus drives this year at our college. However, Dell closed a position via internal reference of a student who got placed last year. Suha Zainab, BBA 2020, got placed via this mode at a CTC of INR 3.5 lks pa. The first official placement drive proved to be beneficial to the latter student.

Societe Generale had an online campus drive in November 2020 for Analyst Product Accounting, open to BCom, BBA, BA students. We had 29 registrations, and one select Umaima Khan, BCom 2021, at a CTC of INR 3.5 lks pa.

Northern Trust conducted their online campus drive in January, open to BCom & BBA students. Arshiya Kulsum & Akshatha Pai, both from BCom 2021, got selected at a CTC of INR 2.6 lks pa.

Diageo was approached by me via a lead for BCom & MCom candidates for their Accounts Department in Jan 2021. Niveditha Mathapati from 2020 MCom got selected as Senior Associate at INR 3.9 lkh CTC. She was also featured on their LinkedIn page for Employer Branding.

Bayer selected Nidha Saher, Kavya Shruthi R & Vidhya C from MCom 2020 on a contract via Quess Corp from Oct 1<sup>st</sup> till Dec 2020 at INR 2.7 lkh CTC. On April 1<sup>st</sup> 2021, Nidha's contract got converted to a full time employment at a CTC of INR 3.9 lks pa. Bayer also selected Saniya Sayeed BCom 2020 for a 7 month Fixed term contract from Jan till July 2021 via Quess Corp at INR 2,76,132 CTC. She has got an extension till September 2021.

#### Internships:

Most of the internships obtained were through my personal connections.

BrandiT Communications, a PR & Event Firm hired Joshna, BA 2020 at INR 3000 PM Aug 2020-Nov 2020. Ishika Agarwal, 2021 BCom at BrandiT Communications at INR 3000 August 2020

Wildcraft hired Shruthi Balu, BCA 2020, as Customer Service Executive 11<sup>th</sup> Jan 2021 – 31<sup>st</sup> Mar 2021 at INR 15,000/- per month.

7 students from MSc Psychology are interning with Sankar Subramanikum of AACE, in unpaid internships as a requirement for their course completion.

To trajectory Placements and Internships opportunities, personal connections is a good place to start, however, in the years to come, the Placement Cell hopes to develop a more professional outfit that will be sought after and that Bishop Cotton Women's Christian College becomes the college to go to for campus hiring.

**Mrs. Sharmila Nambiar,**  
Placement Officer.

#### ECO WATCH CLUB: (GO GREEN AND CLEAN)

The EcoWatch Club started its activities by electing the President for the year 2020-21. Miss. Sarah Mirza was elected as the President and Miss. Surekha was elected as the vice president of the Club for the year.

Inter collegiate online Quiz was organized on 28<sup>th</sup> July 2020 on account of World Nature Conservation day. Nearly 466 students from different colleges participated in the event. This event promoted learning about nature among the students and helped them to assess themselves.

The faculty of the Eco Watch Club Participated in an Online course on “Sustainability commitment in Educational Campuses” conducted by the Centre for Science and Environment, India on 16<sup>th</sup> and 17<sup>th</sup> July 2020. The Resource Person was Mr. Ranjeesh Sareen, Programme Director, Sustainable Buildings and Habitat Programme, Centre for science and environment. The speaker discussed about all the five important aspects of Criteria 7 of NAAC accreditation, Land, Energy, Water, Waste and Air.

A webinar was organised on the topic “Know your Bangalore Environment” on 24<sup>th</sup> September 2020. The speaker was Dr. T.V. Ramachandra from the Centre for sustainable Technologies, Indian Institute of Science, Bangalore. He briefed about the current water status and poor waste water management by BWSSB and also about the Rain water harvesting Technology to reuse and recycle water. Nearly 120 students from Indian Institute of science and Bishop Cotton Women’s Christian College participated in the webinar and learnt about the need for reusing water to solve water crisis in Bangalore.

The faculty members of Eco Watch club also participated in a five day training program on “Training on Data collection, assessment and planning for Green Campuses” conducted by the Centre for Science and Environment, India from 14-12-2020 to 18-12-2020. Resource Persons were Mr. Sugeet grover, Sustainable Buildings and Habitat Programme, Centre for science and environment and Mr. Mitaishi Singh, Programme officer, Sustainable Buildings and Habitat programme. This training programme included a detailed presentation of the campuses of all the member colleges. A lot of discussions and work sheets about the energy calculations in the campus, water conservation methods, green area statistics of the campus and Google mapping methodology were taught by the experts. This helped in understanding more about the NAAC criteria.

On the eve of World Environment Day 2021, the Eco watch club organised a Panel discussion on the theme “Ecosystem Restoration- Impact of Corona Virus pandemic on the Environment”. The panel was led by the Moderator, Ms. Nancy Deborah, Asst. Professor, Department of Botany. Around 13 panellists from BA, B. Sc, B.Com and BCA actively participated. The discussions were based on lot of Research related to the impact of Covid 19 pandemic on the Environment.

The panellists presented statistical data about the present crisis of Environment related to Pandemic with respect to carbon emissions, waste, habitat, energy, wildlife and Ecosystem Restoration. The panel discussion opened with Surekha and Srustitha Williams where they highlighted about the reduction of carbon emissions due to the lockdown in various cities. Sarah Mirza, Tulsi Agarwal and Deepika seervi continued the discussion showing substantial evidences of ecosystem restoration during this period. Mifzala Erum and Muskaan highlighted aspects of energy conservation while Amruthi prajapathi and Jinal Khandelwal spoke about importance of Wild life conservation. The discussion concluded with Tasleem and Isobel speaking about ways to attain sustainable development. This discussion provided a platform for the students to spread Environmental awareness and also discuss strategies to improve restoration of ecosystems. It was an opportunity to be bold in addressing environmental issues. The panel discussion concluded with

a note on improving Bangalore environment by the Judge Mr. Anand Tirtha who is an Environmental activist. Students took an oath to protect the Environment followed by the vote of thanks proposed by Mrs. Esther Watson, Head, Department of Botany.

### COLLEGE CHOIR

The College Choir is an integral part of every college program. With the pandemic and changes in the mode of instruction in the field of education, the choir too transformed itself into virtual choir. There were 12 students this year from both PUC and Degree. The choir played a key role in all college programmes from orientation to graduation. For Gospel Fest, the choir rendered a special song highlighting the theme of the fest 'He is exalted'. This year during the season of Christmas there was a time of carol singing and carol rounds- the staff along with the choir students went to every department - PUC, Degree and PG on campus as well as to the Law College heralding the good news of Christ's birth, spreading cheer, goodwill, and hope. For Graduation three of our choir students -Ketura, Andrea and Precilla rendered a special number 'Keep the flame alive' while the choir was accompanied by Mr. Levi Jeremiah. The year has been a blessed one with the choir spreading joy and melody in all their endeavours.

## STAFF WELFARE

The College always aims at improving the work life of the employees, to bring about holistic development of the employee's personality and their output. It improves efficiency of workers and keeps them content, thereby contributing to high employee morale. It also develops a sense of responsibility and dignity.

A Staff Orientation on Research: What, Why and How was organised on 08.09.2020 between 2pm and 3.30 pm at the Seminar Hall of the Campus. The Resource speaker being Dr. Michael Rajamathi, Associate Professor, Dept. of Chemistry, St. Joseph's College, Bengaluru.

The presentation focused on the following areas:

- 1] Research – Meaning, Implications and Need
- 2] Process of Research Methodology
- 3] Funding Agencies of Research
- 4] Research Proposal- Meaning and Process

The core objective of the programme was to equip the Academicians with set of skills and potentiality to undertake the research effectively in their respective disciplines and in turn complete research into publishable material of high quality in the form of articles, journals and books. The presentation offered practical guidelines and directed the researchers through all the stages of research. It also gave exposure to various Funding agencies.

Entire Presentation was adopted with an approach anticipating the User's Intent. The subject on Research intrigued the Academic Fraternity to learn more.

This fostered critical thinking and analytical skills and enabled us to define academic, career and personal interests.

IN CONCLUSION

In closing, take this as a blessing verse – “Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; He will never leave you nor forsake you” – Deuteronomy 31:6

May God’s blessings surround you each Day

As you trust Him and walk in His ways

May his blessings within guide and guard you from sin

Go in peace, go in love, go in joy.
