### THE REPORT ON DOCUMENTARY SCREENING

The Head Mrs. Evangeline Rajkumari, Department of Sociology organised for I & II BA students, 2 staff and 15 students actively participated in the documentary screening on “Sociological Theories” offered a captivating journey into the diverse frameworks that shape our understanding of society. Organised on 29th April 2024, which aimed to engage students in a reflective exploration of key sociological perspectives, spanning from classical to contemporary theories.

The screening commenced with an introduction to classical sociological theories, featuring the works of founding figures such as Auguste Comte, Emile Durkheim, Max Weber, and Karl Marx. Through archival footage and expert commentary, students gained insight into the Biographical sketch and theoretical underpinnings of positivism, structural functionalism, and conflict theory.

The documentary screening sparked lively discussions among all the students, who eagerly shared their insights and reflections on the featured theories. Participants expressed appreciation for the documentary's comprehensive approach and its relevance to contemporary social issues. Through dialogue and debate, attendees deepened their understanding of sociological concepts and explored their implications for social change efforts.

Moving forward, the insights gained from the screening serve as a catalyst for continued inquiry and engagement with sociological theory, empowering individuals to apply sociological insights in their personal and professional endeavours. Overall, the event was a testament to the enduring relevance of sociology as a discipline that illuminates the dynamics of human society and informs efforts to create a more just and equitable world.
