

## **Eco-watch club -2019-2020**

### **1. CLEAN DAY: 26-07-2019**

The volunteers and the students of Eco-watch club were engaged in cleaning the campus, de-weeding the plants in the herbal garden and in the Green cafeteria. They also re-potted all the pots in the campus with fresh saplings and climbers.

## 2. GREEN DAY: 18-09-2019

Green day was observed. Guest lecture was organised and the speaker MR. Ramakanth emphasised on solid waste management in the campus. He is popularly called as waste warrior and Anu Hasiru. After having worked abroad for years, he has committed his life to the betterment of the SWM issues affecting Bangalore. He is a man of action and makes things happen. He gives advices to BBMP on SWM. He also introduced antimicrobial solutions for dish washing in the campus. Many student volunteers and student council along with the Eco watch club members attended the talk and were benefited.

### 3. GIFTING GREEN MEMENTOS TO CHIEFGUESTS AND GUEST SPEAKERS:

Eco watch club gifted green mementos to chief guests and guest speakers on many occasions like Christian fest, College fest – Disha, Rotaract club inauguration, BBA fest, Commerce Fest, SCM etc...

#### **4. COLLEGE DECORATED WITH ECO FRIENDLY MATERIALS DURING FESTS:**

College is decorated with eco-friendly materials for college fest, Christmas program and also other cultural programs of the college. Decorations like tyre, bottle and layer gardening is common. All the gardens are maintained clean and green by the Eco watch club students.

#### **5. PLASTIC-FREE CAMPAIGN-SWACHHATA HI SEVA: 24-10-2019**

As per the directives of Ministry of Human Resource Development to Higher educational Institutions, Swachhata hi seva campaign was observed in the campus. In this regard, we organised a guest lecture. Eminent speakers like Mrs. Veena Prasad, Mr. Vasuki and Ms. Nandini gave an insight into the issue of plastic pollution and stressed on segregation of wastes. They also showed alternative materials that can be used as a substitute for plastic bags, plates and cups. They urged on carrying one's own steel cup, spoon and steel water bottles at the eateries and weddings in order to avoid use of plastics that are main contributors to landfills.
