Dr. Kanishka K is a founding member of the Department of Business Administration at SJEC. Right from its inception, (2009) he is been serving has a senior faculty and heading the Department. He also holds an additional charge as a Dean and Coordinator at MBA Twinning Program, Bangalore Jesuit Educational Society.

He is specialised in education, industrial relations, personnel management, human resources management, research methodology and political science. He is a voracious reader, prolific writer, passionate articulator and an excellent organiser.

He has a wide experience of participating, presenting and publishing at various state, national and international conferences, seminars and workshops. In 18 years of teaching career he has participated, presented and published at over 70 conferences and journals.

His contribution towards institution has been multi-dimensional, overarching and succinctly pervaded all facets and added significant value to academic and non-academic processes.

Dr. Kanishka gave his insights on one of the most important topic which is importance of safety and health of employees especially during the Pandemic. Sir specified about the safety guidelines and strategies for maintaining quality health and safety of employees at workplace. Also he mentioned about the Eight step process stated by World Health Organization to ensure safety and health that comprises of-

1. Mobilize
2. Assemble
3. Assess
4. Prioritize
5. Plan
6. Implement
7. Evaluate
8. Improve

After the presentation by the speaker, the floor was open for question and answer session, where the participants asked their questions directly and the speaker answered them. It was a very interactive session. After Q&A session Vote of thanks was proposed by Narasimhan, Head of Department, Mcom. The Webinar organized by Post Graduate Department was a great success for the department.
