#19, 3rd Cross, C.S.I. Compound, Mission Road, Bengaluru-27

**Department of Computer Science**

**Organizes a Guest Lecture on**

**METaverse**

on observation of

**NATIONAL TECHNOLOGY DAY**

**SPEAKER:**

**LEENA SWARNA DEVI**

Asst Prof & Head,  
Dept. Computer Science,  
Nrupathunga University

**DATE : 7TH DEC '23**

**TIME : 10AM**

**VENUE : SEMINAR HALL**

The program began by the opening prayer by Priya M of I BCA followed by bible reading by Diana of II BCA. The gathering of the students and the staff was addressed by Mrs.Suja D Shanthi,HOD of Computer Science. The profile of the speaker was read by Jennifer C of I BCA. Around 144 students from BCA and BSc stream participated in the seminar enthusiastically.

The seminar was very interactive. The concept of Metaverse and how it is going to have an impact on the next generation was well explained with a lot of real world examples. It enhanced our understanding on the concept. She also emphasized on how the frictional world or the universe would rule over the world.

The different job opportunities that are available in this expanding field, which includes metaverse skills like game design, 3D modeling, virtual reality (VR), and artificial intelligence and many more development programs were explained. Overall the students gained a lot of deep insight about Metaverse and its aspects. Finally the vote of thanks by Mrs. Jayakiruba, Faculty of Computer science.
