

BISHOP COTTON WOMEN'S CHRISTIAN COLLEGE PARENT ORIENTATION PROGRAMME 2025 – 2026

Parent Orientation Programme was conducted on 15th July 2025. Mrs. Lincy Mary Iype, Pastor and Counselor at Kainos, Co-founder of Mustard Cafe & Ministries, Bengaluru was the guest speaker who addressed the parents with deep insight and compassion. She began by acknowledging the vital role parents play in shaping their children's future.

She also emphasized that a truly holistic upbringing must nurture all these dimensions, urging parents to shift from instructing to empowering their children

with love. Her powerful message revolved around the mandate to "Do in LOVE". She encouraged parents to set boundaries in love, and cultivate a home environment built on firm and clear values.

She stressed the importance of raising children in not just academically sound but also well-behaved, emotionally intelligent, and value-driven individuals. Overall, the orientation programme served as a meaningful reminder that education begins at home, and the real success of a child lies in the balanced growth of heart, mind, and soul.

After the conclusion of the orientation programme, one of the parents, deeply moved and inspired by the speaker's impactful session, came forward to express his heartfelt appreciation. Overwhelmed with gratitude, the parent honoured the speaker by presenting her with a garland, a shawl and sweets as a token of respect and admiration.
