

## **ACTIVITIES OF ECOWATCH CLUB 2018-19**

### **GREEN DAY:**

Green day clean day was celebrated on 8<sup>th</sup> September 2018. Students of all the combinations participated in painting the walls of College cafeteria with posters related to water conservation. Students also involved in cleaning and de-weeding the green cafeteria, medicinal garden and other areas of the campus making it look green and beautiful.

### **CLEAN DAY- SOLID WASTE MANAGEMENT:**

On the 3<sup>RD</sup> of October 2018, solid waste equipment (to treat dry leaves in the campus) was installed and a one hour session explaining the technique to the students was conducted.

The microbial method of degradation of dry leaves was explained.

## **E-STORE: 13-03-2019**

Eco-watch club members were involved in making eco-friendly products like flower vase, decorative paper flowers, handmade earrings and clay pots during the activity hours. All these products were sold at Eco-store that was opened in the campus during which staff and the students promoted and supported the stores by buying the plants grown in the campus and the products made by the students.

## **GREEN MOMENTOS:**

Students of the Eco-watch club decorated the green mementos for the guest speakers who were invited for various programs of the college.

### **ECO DAY:**

The club organized a trip to Lal-bagh botanical garden on 15<sup>th</sup> August 2018

Eco day was celebrated on 12<sup>th</sup> April 2019. Various competitions were conducted for the students

1. Pot painting
2. Model making
3. Glass painting
4. Greeting card making

All the students who won prizes and the deserving students who worked hard throughout the year were issued certificates on the Eco-day

Convener,

Dr. Susanna P
